

Curriculum Vitae

BERTON R. MOED, M.D

OFFICE ADDRESS Professor and Chairman
Department of Orthopaedic Surgery
Saint Louis University School of Medicine
3635 Vista Avenue
7th Floor Desloge Towers
St. Louis, Missouri 63110

OFFICE TELEPHONE 314 577-8850
OFFICE FACSIMILE 314 268-5121
E-MAIL moedbr@slu.edu

EDUCATION

University of Michigan
Ann Arbor, Michigan September 1968 – June 1972
B.S.

Saint Louis University School of Medicine
St. Louis, Missouri July 1972 – June 1976
M.D.

TRAINING

Saint Louis University Group Hospitals
St. Louis, Missouri July 1976 – June 1977
General Surgery Residency

Lieutenant, United States Navy
San Diego, CA July 1977 – June 1980

Wayne State University School of Medicine
Detroit, MI 48201 July 1980 – June 1983
Orthopaedic Surgery Residency

Sunnybrook Medical Centre
Toronto, Ontario, Canada July 1983 – March 1984
Fellowship in Orthopaedic Traumatology and Adult Reconstructive Surgery

Harborview Medical Center
Seattle, Washington April 1984 – June 1984
AO Trauma Fellowship

Martin Allgöwer AO Fellowship October 1992 – December 1992
Emile Letournel, M.D., CMC Choisy, Paris, France

TRAINING (continued)

Clinical Orthopaedic Society Traveling Fellowship Michael Millis, M.D., Boston Children's Hospital, Boston, MA Paul Maquet, M.D., University of Paris, Liege, Belgium Reinhold Ganz, M.D., University of Berne, Berne, Switzerland	Summer 1997
Zimmer Senior Faculty Joint Arthroplasty Traveling Fellowship Mark Hartzband, M.D., Hackensack University Medical Center Hackensack, NJ	Winter 2001
Bander Fellow in Medical Business Ethics Fellowship Director Erin Bakanas, M.D., Albert Gnaegi Center for Health Care Ethics, Saint Louis University, St. Louis, MO	July 2009

FACULTY APPOINTMENTS

Assistant Professor, Department of Orthopaedic Surgery Wayne State University School of Medicine Detroit, Michigan	July 1984 – June 1989
Clinical Associate Professor, Department of Orthopaedic Surgery Wayne State University School of Medicine Detroit, Michigan	July 1989 – June 1991
Clinical Associate Professor, Department of Orthopaedic Surgery University of Michigan Medical School Ann Arbor, Michigan	November 1991 – May 1998
Professor, Department of Orthopaedic Surgery Wayne State University School of Medicine Detroit, Michigan	June 1998 – February 2003
Professor and Chairman, Department of Orthopaedic Surgery Saint Louis University School of Medicine St. Louis, Missouri	March 2003 – Present
Professor, Department of Biomedical Engineering Saint Louis University Parks College of Engineering and Aviation St. Louis, Missouri	August 2003 – Present
Associate Dean for Clinical Affairs (Interim) Saint Louis University School of Medicine St. Louis, Missouri	April 2011 – July 2012

HOSPITAL OR OTHER PROFESSIONAL APPOINTMENTS

Chief, Department of Orthopaedic Surgery Veterans Administration Hospital Allen Park, Michigan	July 1984 – June 1988
Vice Chief, Department of Orthopaedic Surgery Detroit Receiving Hospital Detroit, Michigan	July 1984 – June 1988
Liaison: Traveling Resident in Orthopaedic Trauma Wayne State University School of Medicine Detroit, Michigan	July 1987 – June 1989
Associate Trauma Director Detroit Receiving Hospital Detroit, Michigan	July 1988 – December 1989
Chief, Department of Orthopaedic Surgery Director, Orthopaedic Trauma Clinic Detroit Receiving Hospital Detroit, Michigan	July 1988 – June 1989
Vice-Chief, Department of Orthopaedic Surgery Henry Ford Hospital Detroit, Michigan	September 1990 – 1995
Chief, Division of Orthopaedic Traumatology Henry Ford Hospital Detroit, Michigan	1990 – 1998
Assistant Chairman, Department of Orthopaedic Surgery Henry Ford Hospital Detroit, Michigan	1992 – 1998
Chief, Department of Orthopaedic Surgery Detroit Receiving Hospital Detroit, Michigan	May, 1998 – February 2003
Vice-Chief of Staff Detroit Receiving Hospital Detroit, Michigan	July 2000 – February 2003
Chief, Department of Orthopaedic Surgery Saint Louis University Hospital St. Louis, Missouri	March 2003 – June 2011
Member, Operating Room Committee Saint Louis University Hospital St. Louis, Missouri	March 2003 – April, 2006

HOSPITAL OR OTHER PROFESSIONAL APPOINTMENTS (continued)

Vice-Chair, Operating Room Committee Saint Louis University Hospital St. Louis, Missouri	April 2006 – April 2011
Member (<i>ex officio</i>), Operating Room Committee Saint Louis University Hospital St. Louis, Missouri	April 2011– July 2012
Member, Medical Executive Committee Saint Louis University Hospital St. Louis, Missouri	March 2003 – April 2011
Member (<i>ex officio</i>), Medical Executive Committee Saint Louis University Hospital St. Louis, Missouri	April 2011– July 2012
Member, Hospital Volumes Committee Saint Louis University Hospital St. Louis, Missouri	June 2007 – July 2012
Member, Joint Coordinating Council Saint Louis University Hospital & Saint Louis University Medical Group St. Louis, Missouri	December 2003 – December 2012
Director, Orthopaedic Surgery Outpatient Clinic Saint Louis University Hospital St. Louis, Missouri	October 2005 – Present
Member, Orthopaedic Council Saint Louis University Hospital St. Louis, Missouri	January 2007 – Present
Interim Director, Department of Orthopaedic Surgery Cardinal Glennon Children’s Hospital St. Louis, Missouri	July 2003 – July 2004
Member, Operating Room Committee Cardinal Glennon Children’s Hospital St. Louis, Missouri	July, 2003 – July 2004
Member, Faculty Compensation Committee University Medical Group Saint Louis University St. Louis, Missouri	March 2005 – Present
Member, Medical Executive Committee University Medical Group Saint Louis University St. Louis, Missouri	December 2006 – June 2008

HOSPITAL OR OTHER PROFESSIONAL APPOINTMENTS (continued)

Member, Governing Board University Medical Group Saint Louis University	July 2006 – Present
Director, Center for Orthopaedic Biomechanics and Related Applications Saint Louis University St. Louis, Missouri	April 2006 – June 2012
Member, Dean's Planning and Advisory Committee Saint Louis University School of Medicine St. Louis, Missouri	March 2003 – April 2011
Member, Executive Committee of the Faculty Saint Louis University School of Medicine St. Louis, Missouri	March 2003 – Present
Vice-Chair, Clinical Chairs Committee Saint Louis University School of Medicine St. Louis, Missouri	November, 2008 – November 2011

MAJOR PROFESSIONAL SOCIETIES

American Academy of Orthopaedic Surgeons since 1988
 American College of Surgeons – Fellow since 1993
 American College of Surgeons – Committee on Trauma 1999 – 2006
 American College of Surgeons – Missouri Committee on Trauma since 2004
 American Orthopaedic Association since 1995
 Academic Orthopaedic Society 1991– 2002
 AO Alumni Association since 1989
 AOTrauma North America since 2011
 Association of Bone and Joint Surgeons since 2005
 Michigan Orthopaedic Society 1990 – 2005
 Mid-America Orthopaedic Association since 1990
 Mid-Central States Orthopaedic Society 2004 – 2013
 Missouri Orthopaedic Society since 2003
 New Zealand Orthopaedic Association (Honorary) since 1999
 Orthopaedic Research Society since 1995
 Orthopaedic Trauma Association since 1986
 Royal Society of Medicine since 2010
 Royal College of Surgeons in Ireland (Honorary Fellow) since 2013
 Saint Louis Orthopedic Society since 2003
 SICOT—International Society of Orthopaedic Surgery and Traumatology since 2000
 Southern Orthopaedic Association since 2012
 Sunnybrook Orthopaedic Association since 1984

LICENSURE

State of Missouri, since 2002
 State of Michigan, since 1980

BOARD CERTIFICATION

NBME Certified, July 1, 1977

American Board of Orthopaedic Surgery, certified since July 1986;

recertified July 1993, July 2004 and June 2015 - through December 31, 2026

HONORS/AWARDS

1978, United States Navy

Letter of Commendation for patient care

1980, United States Navy

Letter of Commendation for professional conduct other than patient care

October 1992 to December 1992

Martin Allgöwer Fellowship Award

Paris, France

June 1992

Award of Excellence

Michigan Orthopaedic Society Annual Meeting

Mackinac Island, MI

1992 through Present

Best Doctors® in America

1992-1993, Henry Ford Hospital

Orthopaedic Surgery Resident Teacher of the Year

Summer 1997

Clinical Orthopaedic Society Traveling Fellowship Award

Boston, MA and Europe

1997-1998, Henry Ford Health Sciences Center

Teaching Excellence in Medical Student Education Award

Department of Medical Education

May 1999

Royal Australasian College of Surgeons Foundation Visitor

Auckland, New Zealand

Winter 2001

Zimmer Senior Faculty Joint Arthroplasty Traveling Fellowship Award

Hackensack, NJ

February 2010

American Academy of Orthopaedic Surgeons

Inaugural Recipient, AAOS Achievement Award

HONORS/AWARDS (continued)

September 2012

Division of Research Administration, Saint Louis University
2012 Faculty Innovation Award

December 2012

Clinical Orthopaedics and Related Research
2012 Top Reviewer Award

May 2013

Saint Louis University

Named to the Hansjörg Wyss Endowed Chair in Orthopaedic Surgery

November 2013

Royal College of Surgeons in Ireland
Conferred as an Honorary Fellow

SERVICE

Professional Consultation:

1. AAOS, Sub-Committee on Musculoskeletal Trauma, 1993 - 1994.
2. Specialist Site Visitor, Residency Review Committee, Accreditation Council for Graduate Medical Education 1994 - 2004.
3. Orthopaedic Trauma Association Resident Core Curriculum Lecture Archive, since 2007.
4. Orthopaedic Trauma Association Comprehensive Fracture Course For Residents 2.0 Pelvis Module Team Development Member, 2010-2012.

Journal/Editorial Activity:

1. Editorial Board, Journal of Orthopaedic Trauma since 1992.
2. Reviewer, Clinical Orthopaedics and Related Research since 1993.
3. Reviewer, The Journal of Bone and Joint Surgery since 1993.
4. Reviewer, The Journal of Trauma since 1997.
5. Reviewer, Journal of the American Academy of Orthopaedic Surgeons, since 1998.
6. Editorial Advisory Board, Ortopedia Traumatologia Rehabilitacja, 1999 - 2003.
7. Associate Editor, Orthopaedics and Traumatology, 1999 - 2001.
8. Editor, Orthopaedics and Traumatology, 2001 - 2005.
9. Section Editor–Pelvis, Journal of Orthopaedic Trauma, since 2001 - 2012.
10. Editorial Board, Injury, 2006 - 2013
11. Deputy Editor for Trauma, Clinical Orthopaedics and Related Research, 2009-2012.
12. AOTNA Liaison Editor, Clinical Orthopaedics and Related Research, since 2013

National and International Boards and Committees:

1. Member, Annual Program Committee, Orthopaedic Trauma Association, 1991-1993.
2. Member, Education Committee, Mid-America Orthopaedic Society 1992-1995.
3. Member, Board of Directors, Orthopaedic Trauma Association, 1992-1995.
4. Member, HIV Ad Hoc Committee, Orthopaedic Trauma Association, 1992-1995.
5. Chairman, Annual Program Committee, Orthopaedic Trauma Association, 1993-1995.
6. Member, Membership Committee, The Michigan Orthopaedic Society 1993-1996.
7. Member, Exhibits Committee Sub-Committee on Trauma, AAOS, 1994-1998.
8. Member, Committee on Applicants, American College of Surgeons 1994- 2003.
9. Member, Sub-Committee on Musculoskeletal Trauma, AAOS, 1994-1995.
10. Chairman (ex officio), Annual Program Committee, Orthopaedic Trauma Association, 1995-1996.
11. Member, Committee on Evaluation, AAOS, 1996 - 1998.
12. Member, American College of Surgeons, Committee on Trauma, 2000-2006.
13. Member, American College of Surgeons, Committee on Trauma, Education Subcommittee, 2000-2006.
14. Member, American College of Surgeons, Committee on Trauma, Resources Subcommittee, 2000-2003.
15. Member, American College of Surgeons, Committee on Trauma, Disaster Subcommittee, 2003-2006.
16. Member, Orthopaedic Trauma Association Board of Directors, 2001-2003.
17. Member, AOTrauma North America (AOTNA) Research Committee, since 2011
18. Chair, AOTrauma North America (AOTNA) Research Committee, since 2012
19. Member, AOTrauma Research Commission (AOTRC), since 2012
20. Member, Board of Directors, AOTrauma North America, since 2012

SERVICE (continued)**Regional and Local Committees**

1. Member, Joint Coordinating Council, Saint Louis University School of Medicine and Saint Louis University Hospital, 2003-2012.
2. Member, Dean's Planning and Advisory Committee, Saint Louis University School of Medicine, 2003 – 2011.
3. Promotion and Tenure Task Force, Saint Louis University School of Medicine, 2014 – 2015.

TEACHING

Director, Resident Education, Department of Orthopaedic Surgery
Wayne State University School of Medicine
Detroit, Michigan September 1986 – January 1989

Program Director, Orthopaedic Trauma Fellowship
Henry Ford Hospital
Detroit, Michigan 1992 – 1998

Program Director, Orthopaedic Trauma Fellowship
Department of Orthopaedic Surgery
Wayne State University School of Medicine
Detroit, Michigan May 1998 – February 2003

Program Director, Saint Louis University Orthopaedic Surgery Program
Saint Louis University School of Medicine
Saint Louis, Missouri June 2004 – Present

Co-Program Director, Post-Doctoral Fellowship in Biomedical Engineering
Saint Louis University School of Medicine & Parks College of Engineering and Aviation
Saint Louis, Missouri April 2006 – June 2012

PRESENTATIONSVisiting Professorships

1. Orthopaedic Management of the Polytrauma Patient. Visiting Professor, Department of Orthopaedic Surgery, University of Hawaii, Honolulu, Hawaii, June 1984.
2. Management of Open Fractures. Visiting Professor, WSU Surgical Grand Rounds, Harper Hospital, Detroit, Michigan, September 21, 1985.
3. Operative Management of Fractures of the Acetabulum: Rationale, Surgical Approach, and Complications. Callahan Visiting Professor, Loyola University Medical Center, Chicago, IL, October, 1993.
4. Visiting Professor, University of California, Davis, Sacramento, CA, July, 1994.
5. Visiting Professor, The University of Western Ontario, London, Ontario, Canada, November, 1996.
6. Retrograde Nailing of Fractures of the Femur. Visiting Professor, University of Ghent, Ghent, Belgium, August, 1997.
7. Intraoperative Stimulus-Evoked EMG Monitoring for Placement of Iliosacral Screws: An Animal Model and Initial Clinical Results. Visiting Professor, St. Louis and Washington University Combined Grand Rounds, St. Louis, MO, October, 1997.
8. Visiting Professor, 1998 Felix Rosenhain Lecture, Hospital for Joint Diseases, New York, NY, February 12, 1998.
9. Nerve Monitoring During the Insertion of Iliosacral Screws. Visiting Professor, Orthopaedic Grand Rounds, Saint Luke's Medical Center, Cleveland, OH, October 29, 1998.
10. Nerve Monitoring During Pelvic Fracture Surgery. Visiting Professor, Orthopaedic Grand Rounds, William Beaumont Hospital, Royal Oak, MI, January 18, 1999.
11. Retrograde Femoral Nailing. Visiting Professor, Orthopaedic Grand Rounds, University of Kentucky, Lexington, KY, March 30, 1999.
12. Retrograde Femoral Nailing, Visiting Professor, Rotorua Hospital, Rotorua, New Zealand, May 17, 1999.
13. Nerve Monitoring During Pelvic Fracture Surgery. Visiting Professor, Dunedin Hospital, University of Dunedin, Dunedin, New Zealand, May 21, 1999.
14. Bridging Broken Bones: Visiting Professor, Huron Valley-Sinai Hospital, Commerce, MI, September 15, 1999.
15. Management of Complex Pelvic Fractures. Visiting Professor, Surgical Grand Rounds, Wayne State University School of Medicine, Detroit, MI, November 15, 2000.
16. 1) Retrograde Nailing of Femoral Shaft Fractures; 2) Open Reduction and Internal Fixation of Posterior Wall Fractures of the Acetabulum; 3) Management of Unstable Pelvic Ring Injuries. Visiting Professor, Surgery Grand Rounds, Southern Illinois University School of Medicine, Springfield, IL, March 21–22, 2001.
17. ORIF of posterior wall acetabular fractures—Techniques and results of treatment. Visiting Professor, Orthopaedic Surgery Grand Rounds, Northwestern University Medical School, Chicago, IL, March 1, 2002.

PRESENTATIONS (continued)Visiting Professorships (continued)

18. ORIF of posterior wall acetabular fractures—Pitfalls and results of treatment. Visiting Professor, Orthopaedic Surgery Trauma Rounds, Massachusetts General Hospital, Boston, MA, June 6, 2002
19. Outcome of acetabular fractures. Visiting Professor, Orthopaedic Surgery Grand Rounds, Henry Ford Hospital, Detroit, MI, January 15, 2003
20. Posterior wall fractures of the acetabulum — Pitfalls and results of treatment. Visiting Professor, Orthopaedic Surgery Grand Rounds, Brown University Medical School, Providence, RI, November 5, 2003.
21. Post Partum Pelvic Instability. Visiting Professor, Department of Obstetrics, Gynecology, and Women's Health Grand Rounds, Saint Louis University School of Medicine, Saint Louis, MO, March 26, 2004.
22. Posterior wall fractures of the acetabulum — Pitfalls and results of treatment. Visiting Professor, Orthopaedic Surgery Grand Rounds, Mt. Sinai School of Medicine, NY, NY, May 5, 2004.
23. Innovations in Intramedullary Nailing of Femoral Shaft Fractures. Stryker Trauma Lectureship – Distinguished Guest Professor, University of Michigan, Ann Arbor, MI, April 27, 2006.
24. Improving Results in Posterior Wall Acetabular Fracture Surgery. Stryker Trauma Lectureship – Distinguished Guest Professor, University of Michigan, Ann Arbor, MI, April 27, 2006.
25. 1) Tribute to Kathy Cramer; 2) Lessons Learned as an Orthopaedic Trauma Fellow (circa 1983-84); 3) The Posterior Wall Acetabular Fracture: *Enigma or Just Another Intra-articular Injury?* Kathryn E. Cramer Distinguished Guest Professor, Harborview Alumni Scientific Symposium, University of Washington, Seattle, WA, July 28-29, 2006.
26. Outcomes of Posterior Wall Fractures. Visiting Professor Lecture, Hospital for Joint Disease, New York, NY, May 30, 2007.
27. Posterior Wall Fractures of the Acetabulum. The Carl L. Nelson Distinguished Visiting Lecturer. 23rd Annual Arkansas Orthopaedic Forum, University of Arkansas for Medical Sciences, Little Rock, AR, October 5, 2007.
28. Improving Results in the Treatment of Posterior Wall Fractures of the Acetabulum. Visiting Professor Grand Rounds, Montefiore Medical Center, Bronx, NY, April 20, 2011.
29. Improving Results in the Treatment of Posterior Wall Fractures of the Acetabulum. Massachusetts General Hospital, Department of Orthopaedic Surgery Grand Rounds Boston, MA, May 26, 2011.
30. First Annual Kathryn E. Cramer / Detroit Receiving Hospital & Wayne State University Visiting Lecture in Orthopaedic Trauma. 1) Inauguration of the Kathryn E. Cramer Memorial Lecture Series. 2) Improving Results in the Treatment of Posterior Wall Fractures of the Acetabulum: Using the Dynamic Stress Examination Under Anesthesia. Detroit Medical Center. Detroit, MI, September 18, 2013.
31. Prevention, Diagnosis and Treatment of Thromboembolic Disease in Pelvic and Acetabular Fractures. Henry Ford Hospital, Department of Orthopaedic Surgery Grand Rounds Detroit, MI, April 2, 2014.

PRESENTATIONS (continued)**Invited and/or Refereed Internationally or Nationally**

1. Immediate Rigid Internal Fixation of Open Diaphyseal Fractures of the Forearm. AAOS, 52nd Annual Meeting, Las Vegas, NV, January, 1985.
2. Regeneration of Cancellous Bone Graft Donor Sites: A Canine Model. DM Montgomery, BR Moed. Ortho Trauma Assoc Annual Meeting, Baltimore, MD, November, 1987.
3. Compartmental Syndrome in Closed Intramedullary Nailing of the Tibia: A Canine Model. Ortho Trauma Assoc Annual Meeting, Baltimore, MD, November, 1987.
4. The Effect of Autogenous Bone Graft Application on Wound Contamination: A Rat Model. TE Budorick, BR Moed, D Smith, Jr., J Heggens. Ortho Trauma Assoc Annual Meeting, Baltimore, MD, November, 1987.
5. Regeneration of Cancellous Bone Graft Donor Sites: A Canine Model. DM Montgomery, BR Moed. Ortho Research Society, 34th Annual Meeting, Atlanta, GA, February, 1988.
6. Regeneration of Cancellous Bone Graft Donor Sites: A Canine Model. DM Montgomery, BR Moed. AAOS Specialty Society Day, Atlanta, GA, February, 1988.
7. The Effect of Indomethacin on Heterotopic Ossification Following Acetabular Fracture Surgery. BR Moed, JW Maxey. Ortho Trauma Association Annual Meeting, Dallas TX, October, 1988.
8. The Effect of Autogenous Bone Graft Application on Wound Contamination: An Animal Model. T Budorick, BR Moed. 56th Annual Meeting of AAOS, Las Vegas, NV, February, 1989.
9. Evaluation of Fractures of the Femoral Head Using CT Directed Pelvic Oblique Radiographs. JW Maxey, BR Moed. Twelfth Annual Skeletal Symposium, Sun Valley, ID, February, 1989.
10. Intraoperative Somatosensory Evoked Potential Monitoring of Peripheral Nerves: An Animal Model. BR Moed, JW Maxey, GJ Minster. AOA 1989 Residents' Conference, Rochester, NY, March 1989.
11. Inapparent Hypoxemia After Skeletal Injury: The Use of the Pulse Oximeter As A Screening Method. BR Moed, D Boyd. Ortho Trauma Association Annual Meeting, Philadelphia, PA, October, 1989.
12. Compartment Syndrome After Low Velocity Gunshot Wound to the Forearm. BR Moed, A Fakhouri. Ortho Trauma Association Annual Meeting, Philadelphia, PA, October, 1989.
13. The Effects of Indomethacin on Heterotopic Ossification Following Acetabular Fracture Surgery. Southern Ortho Assoc 7th Annual Meeting, Maui, HA, June, 1980.
14. Intraoperative Somatosensory Evoked Potential Monitoring of the Sciatic Nerve: An Animal Model. Ortho Trauma Assoc Annual Meeting, Toronto, Ontario, Canada, November, 1980.
15. Compartment Syndrome After Low-Velocity Gunshot Wound to the Forearm. BR Moed, A Fakhouri, 58th Annual Meeting, AAOS, Anaheim, CA, March, 1991.
16. Inapparent Hypoxemia After Skeletal Injury: The Use of the Pulse Oximeter as a Screening Method. BR Moed, D Boyd, RE Day. 58th Annual Meeting, AAOS, Anaheim, CA, March 1991.
17. Fractures Involving the Distal Femoral Physis. BR Moed, R Wagner, B Nallamothu. Ortho Trauma Assoc Annual Meeting, Seattle, Washington, November, 1991.
18. The Effect of Indomethacin on Heterotopic Ossification Following Acetabulum Surgery. BR Moed, JW Maxey. 59th Annual Meeting, AAOS, Washington, D.C., February, 1992.
19. The Effect of Two Nonsteroidal Anti-Inflammatory Drugs on Heterotopic Bone Formation in a Rabbit Model. BR Moed, R Resnick, AJ Fakhouri, B Nallamothu, R Wagner. 59th Annual Meeting, AAOS, Washington, D.C., February, 1992.

PRESENTATIONS (continued)Invited and/or Refereed Internationally or Nationally (continued)

20. Evaluation of Fractures of the Femoral Head Using the CT-Directed Pelvic Oblique Radiograph. Ortho Trauma Assoc Annual Meeting, Minneapolis, MN, October, 1992.
21. Prophylactic Indomethacin for the Prevention of Heterotopic Ossification Following Acetabular Fracture Surgery in High Risk Patients. AAOS 60th Annual Meeting, San Francisco, CA, February, 1993.
22. Fracture Implant Failure. Academic Orthopaedic Society, Chicago, IL, April, 1993.
23. Prophylactic Indomethacin for the Prevention of Heterotopic Ossification Following Acetabular Fracture Surgery in High Risk Patients. Moed BR, Karges DE. 1st Int'l Symposium on Surgical Treatment of Acetabular Fractures, Paris, France, May, 1993.
24. Combination Low-Dose Irradiation and Indomethacin Therapy for the Prevention of Heterotopic Ossification Following Acetabular Fracture Surgery. Moed BR, Letournel E. Ortho Trauma Assoc Annual Mtg, New Orleans, LA, September, 1993.
25. Prophylactic Indomethacin for the Prevention of Heterotopic Ossification Following Acetabular Fracture Surgery in High Risk Patients. Moed BR, Karges DE. Ortho Trauma Assoc Ann Mtg, New Orleans, LA, September, 1993.
26. Ultrasound for the Early Diagnosis of Fracture Healing Following Intramedullary Nailing of the Tibia Without Reaming. Moed BR, Watson JT, Goldschmidt P, van Holsbeeck M. Ortho Trauma Assoc Ann Mtg, New Orleans, LA, September, 1993.
27. Intramedullary Nailing of the Tibia Without A Fracture Table: The Transfixion Pin Distractor Technique. Moed BR, Watson JT. AAOS Ann Mtg, New Orleans, LA, February, 1994.
28. Combination Low-Dose Radiation and Indomethacin Therapy for the Prevention of Heterotopic Ossification Following Acetabular Fracture Surgery. Moed BR, Letournel E. AAOS Ann Mtg, New Orleans, LA, February, 1994.
29. Combination Low-Dose Radiation and Indomethacin Therapy for the Prevention of Heterotopic Ossification Following Acetabular Fracture Surgery. Moed BR, Letournel E. Mid-America Ortho Assoc, Bermuda, May, 1994.
30. Retrograde Unreamed Intramedullary Nailing of Fractures of the Femoral Shaft in the Multiply Injured Patient. Moed BR, Watson JT. Ortho Trauma Assoc Ann Mtg, Los Angeles, CA, September, 1994.
31. Comparison of Results: Immediate Versus Delayed Surgical Treatment of Ankle Fractures. Karges DE, Watson JT, Moed BR. Ortho Trauma Assoc Ann Mtg, Los Angeles, CA, September, 1994.
32. Radiographic Assessment of Heterotopic Ossification Following Acetabular Fracture Surgery, Moed BR, Smith S. Ortho Trauma Assoc Ann Mtg, Los Angeles, CA, September, 1994.
33. Radiographic Assessment of Heterotopic Ossification Following Acetabular Fracture Surgery. Moed BR, Smith S. AAOS Ann Mtg, Orlando, FL, February, 1995.
34. Retrograde Intramedullary Nailing of Fractures of the Femoral Shaft in Multiply Injured Patients. Moed BR, Watson JT. AAOS Ann Mtg, Orlando, FL, February, 1995.
35. Ultrasound for the Early Diagnosis of Tibial Fracture Healing After Unreamed Static Interlocked Nailing. Moed BR, Subramanian S, vanHolsbeeck M, Watson JT, Cramer KE, Karges DE. Ortho Trauma Assoc 11th Ann Mtg, Tampa, FL, September, 1995.
36. Ultrasound for the Early Diagnosis of Tibial Fracture Healing After Unreamed Static Interlocked Nailing. Moed BR, Subramanian S, vanHolsbeeck M, Watson JT, Cramer KE, Karges DE. AAOS Ann Mtg, Atlanta, GA, February, 1996.
37. Evaluation of the Galvanic Compatibility of Commercially Pure Titanium, Titanium Alloy and Stainless Steel. Tipirneni K, Moed BR. AAOS Ann Mtg, Atlanta, GA, February, 1996.

PRESENTATIONS (continued)Invited and/or Refereed Internationally or Nationally (continued)

38. Heterotopic Ossification in Acetabular Fractures. At Controversies and Special Problems of Acetabular and Pelvic Fracture Surgery Mtg, Los Angeles, CA, August, 1996.
39. Intraoperative Stimulus-Evoked EMG Monitoring for Placement of Iliosacral Screws: An Animal Model and Initial Clinical Results. Moed BR, et al. At Controversies and Special Problems of Acetabular and Pelvic Fracture Surgery, Los Angeles, CA, August, 1996.
40. Intraoperative Stimulus-Evoked EMG Monitoring for Placement of Iliosacral Screws: An Animal Model and Initial Clinical Results. Moed BR, et al. Ortho Trauma Assoc Ann Mtg, Boston, MA, September, 1996.
41. Ipsilateral Fractures of the Femur and Tibia: Retrograde Femoral and Antegrade Tibial Nailing Without a Fracture Table. Ortho Trauma Assoc Ann Mtg, Boston, MA, September, 1996.
42. Internal Fixation vs. Small Wire Circular External Fixation of Pilon Fractures: Treatment Protocol Based on Severity of Soft Tissue Injury. Moed BR, Watson JT, Cramer KE, Karges DE. Ortho Trauma Assoc Ann Mtg, Boston, MA, September, 1996.
43. Intraoperative Stimulus-Evoked EMG Monitoring for Placement of Iliosacral Screws: An Animal Model and Initial Clinical Results. Moed BR, et al. At Surgery of the Pelvis and Acetabulum: Third Inter Consensus, Pittsburgh, PA, October, 1996.
44. The Influence of Patient Positioning Upon the Ease of Acetabulum Fracture Reduction. Moed BR. At Surgery of the Pelvis and Acetabulum: Third Inter Consensus, Pittsburgh, PA, October, 1996.
45. Heterotopic Bone Formation After Acetabulum Fracture Fixation: Assessment and Prevention. At Surgery of the Pelvis and Acetabulum: Third Inter Consensus, Pittsburgh, PA, October, 1996.
46. Retrograde Nailing of Fractures of the Femoral Shaft: The Next Step. Moed BR, Watson JT, Cramer KE, Karges DE. Inter Symposium on Minimal-Invasive Traumatology, Salzburg, Austria, January, 1997.
47. Intraoperative Stimulus-Evoked EMG Monitoring for Placement of Iliosacral Screws: An Animal Model and Initial Clinical Results. Moed BR, Anders MJ, Ahmad BK, Craig JG, Jacobson GP. AAOS Specialty Day, San Francisco, CA, February, 1997.
48. Internal Fixation vs. Small Wire Circular External Fixation of Pilon Fractures: Treatment Protocol Based on Severity of Soft Tissue Injury. Moed BR, Watson JT, Cramer KE, Karges DE. AAOS Specialty Day, San Francisco, CA, February, 1997.
49. Outcomes Following Repair of Quadriceps Ruptures. Konrath GA, Chen D, Goitz HT, Lock TR, Watson JT, Moed BR, D'Ambrosia G. AAOS 66th Ann Mtg, San Francisco, CA, February, 1997.
50. Intramedullary Nailing of the Tibia Without a Fracture Table: The Transfixion Pin Distractor Technique. Moed BR, Watson JT. The Bristol Intramedullary Nail Symposium, Bristol, UK, May, 1997.
51. Intraoperative Stimulus-Evoked EMG Monitoring for Placement of Iliosacral Screws: An Animal Model and Initial Clinical Results. Moed BR, Anders MJ, Ahmad BK, Craig JG, Jacobson GP. AOA 110th Ann Mtg, Boca Raton, FL, June, 1997.
52. Osteotomies About the Hip. Clin Ortho Society Traveling Fellowship Presentation at the Clin Ortho Society Ann Mtg, Kansas City, MO, October, 1997.
53. Unreamed Retrograde Intramedullary Nailing of Fractures of the Femoral Shaft. Moed BR, Watson JT, Cramer KE, Karges DE. Ortho Trauma Assoc Ann Mtg., Louisville, KE, October, 1997.

PRESENTATIONS (continued)Invited and/or Refereed Internationally or Nationally (continued)

54. DHS vs. Medoff Plate for the Treatment of Intertrochanteric Fractures: A Randomized Prospective Study. Watson JT, Moed BR, Karges DE, Cramer KE. Ortho Trauma Assoc Ann Mtg, Louisville, KE, October, 1997.
55. Unreamed Retrograde Intramedullary Nailing of Fractures of the Femoral Shaft. Moed BR, Watson JT, Cramer KE, Karges DE. St. Louis Medical Society Quarterly Mtg, St. Louis, MO, October, 1997.
56. Retrograde Intramedullary nailing of Fractures of the Femoral Shaft. 1998 Felix Rosenhain Lecturer, Hospital for Joint Diseases Orthopaedic Institute, New York, New York, February 12, 1998.
57. Intraoperative Stimulus-Evoked EMG Monitoring for Placement of Iliosacral Screws: An Animal Model and Initial Clinical Results. Moed BR, Anders MJ, Ahmad BK, Craig JG, Jacobson GP. AAOS 65th Annual Meeting, New Orleans, LA, March, 1998.
58. Open Reduction and Internal Fixation of Pelvis Is Injurious to Patients. Ortho Trauma Assoc, Controversies of Musculoskeletal Trauma Specialty Day, New Orleans, LA, March, 1998.
59. Nerve Monitoring During Pelvic Ring Surgery. Society of Military Orthopaedic Surgeons, SOMOS'98, Vail, CO, December 9, 1998.
60. Evaluation of Intraoperative Nerve Monitoring During the Insertion of Iliosacral Implants in an Animal Model. Moed BR, Hartman MJ, Ahmad BK, Cody DD, Craig JG. ORS 45th Annual Meeting, Anaheim, California, February 4, 1999.
61. Evaluation of Intraoperative Nerve Monitoring During the Insertion of Iliosacral Implants in an Animal Model. Moed BR, Hartman MJ, Ahmad BK, Cody DD, Craig JG. AAOS 66th Annual Meeting, Anaheim, California, February 8, 1999.
62. Evaluation of Intraoperative Nerve Monitoring During the Insertion of Iliosacral Implants in an Animal Model. Moed BR, Hartman MJ, Ahmad BK, Cody DD, Craig JC. SICOT 21st World Congress, Sydney, Australia, April 16–23, 1999.
63. Retrograde Nailing of the Femoral Shaft. SICOT 21st World Congress, Sydney, Australia, April 16–23, 1999.
64. 1) Definitive Orthopaedic Management of Pelvic Fractures. 2) Management of Humeral Nonunions. 3) Management of Femoral Nonunion and Malunion. 4) The Orthopaedic Trauma Patient as a Customer. 5) Digitization of Images: What Can It Offer? Royal Australasian College of Surgeons, 1999 Annual Scientific Conference, Auckland, New Zealand, May 9–14, 1999.
65. 1) Hip screw fixation: Does the type matter? 2) Retrograde femoral nailing: The Detroit experience. 3) Patellar fractures: Contemporary approaches to treatment. 4) Can ultrasound predict fracture union? The 13th Edinburgh International Trauma Symposium, Edinburgh, Scotland, August 18–20, 1999.
66. Fractures of the Olecranon: A Biomechanical Study of the Joint Stresses Comparing Two Methods of Treatment. Moed BR, Ede DE, Brown TD. OTA 15th Annual Meeting, Charlotte, NC, October 22–24, 1999.
67. Unstable Elbow Dislocations and Fracture-Dislocations: Temporary Transarticular Fixation. Cramer KE, Moed BR, Karges DE, Watson JT. OTA 15th Annual Meeting, Charlotte, NC, October 22–24, 1999.
68. Evaluation of Intraoperative Nerve Monitoring during the Insertion of Iliosacral Implants in an Animal Model. Moed BR, Hartman MJ, Ahmad BK, Cody DD, Craig JG. OTA 15th Annual Meeting, Charlotte, NC, October 22–24, 1999.

PRESENTATIONS (continued)Invited and/or Refereed Internationally or Nationally (continued)

69. Perioperative External Fixator Management during Secondary Surgical Procedures. Watson JT, Occhietti MJ, Moed BR, Karges DE, Cramer KE, Parmar VS. OTA 15th Annual Meeting, Charlotte, NC, October 22–24, 1999.
70. Reliability of Detecting Screw Penetration of the Acetabulum Using Intraoperative Fluoroscopy and Computed Tomography: Carmack DB, Moed BR, McCarroll K, Freccero D. OTA 16th Annual Meeting, San Antonio, TX, October 12–14, 2000.
71. Open Reduction and Internal Fixation of Posterior Wall Fractures of the Acetabulum: Moed BR, Carr SEW, Watson JT. OTA 16th Annual Meeting, San Antonio, TX, October 12–14, 2000.
72. Analysis of Failure of Hybrid External Fixation Techniques for the Treatment of Distal Tibial Pilon Fractures: Watson J, Karges DE, Cramer KE, Moed BR. OTA 16th Annual Meeting, San Antonio, TX, October 12–14, 2000.
73. OsteoSet Pellets Used as Bone-Graft Substitute in Acetabular Fracture Fixation. Moed BR, Carr SEW, Craig JG, Watson JT. AAOS 68th Annual Meeting, San Francisco, CA, February 28–March 4, 2001.
74. Computed Tomography Analysis of Posterior Wall Fractures of the Acetabulum Treated Operatively. Moed BR, Carr SEW, Gruson K, Watson JT, Craig JG. OTA 18th Annual Meeting, Toronto, Ontario, October 11–13, 2002.
75. Outcome of Posterior Wall Fractures of the Acetabulum. Moed BR. Second Symposium on Joint and Bone Preserving Surgery of the Hip, Montreal, Canada, June 19-20, 2003.
76. Orthopaedic Traumatology from Afar: Are the Commonly Used Forms of Digitized Radiographs Equal? Beekman RA, Markel DC, Moed BR. OTA 19th Annual Meeting Symposium-Basic Science Focus, Salt Lake City, Utah, October 9–11, 2003.
77. S2 Iliosacral Screw Fixation for Disruptions of the Posterior Pelvic Ring. Moed BR, Geer B. AAOS 72nd Annual Meeting, Washington, DC, February 23–February 27, 2005.
78. S2 Iliosacral Screw Fixation for Disruptions of the Posterior Pelvic Ring. Moed BR, Geer B. OTA 21st Annual Meeting, Ottawa, ON, October 19–October 22, 2005.
79. Improving Results in Posterior Wall Acetabular Fracture Surgery. Moed BR. Los Angeles Pelvis & Acetabular Masters Symposium, Los Angeles, CA, January 7, 2006.
80. Improving Results in Posterior Wall Acetabular Fracture Surgery. Moed BR. 12th Annual San Antonio Trauma Symposium, San Antonio, TX, September 19-21, 2006.
81. A Biomechanical Comparison of a 2 and 3 Proximal Screw Configured Antegrade Piriformis IM Nail with a Trochanteric Reconstruction Nail in an Unstable Subtrochanteric Femur Fracture Model. Fissel BA, Moed BR, Bledsoe JG. OTA 22nd Annual Meeting, Phoenix, AZ, October 5-7, 2006.
82. Outcomes of Posterior Wall Fractures of the Acetabulum. Moed BR, McMichael JC. AAOS 74th Annual Meeting, San Diego CA, February 14–February 18, 2007.
83. Two-Level Reconstruction of Comminuted Posterior Wall Fractures of the Acetabulum Giannoudis PV, Tzioupis CC, Moed BR. AAOS 74th Annual Meeting, San Diego CA, February 14–February 18, 2007.
84. Outcomes of Posterior Wall Fractures of the Acetabulum. Moed BR, McMichael JC. ABJS 59th Annual Meeting, Lexington, KY, April 11-15, 2007.
85. Percutaneous Transiliac & Transsacral Screw Fixation. Moed BR. Pelvic Masters Symposium, Boston, MA, October 16, 2007.
86. Evaluation of Computed Tomography Assessment of Hip Stability. Moed BR, Ajibade DA, Israel H. AAOS 75th Annual Meeting, San Francisco CA, March 4–March 9, 2008.

PRESENTATIONS (continued)Invited and/or Refereed Internationally or Nationally (continued)

87. Computed Tomography as a Predictor of Hip Stability Status in Posterior Wall Fractures of the Acetabulum. Moed BR, Ajibade DA, Israel H. ABJS 60th Annual Meeting, Jackson Hole, WY, June 13-17, 2008.
88. Computed Tomography as a Predictor of Hip Stability Status in Posterior Wall Fractures of the Acetabulum. Moed BR, Ajibade DA, Israel H. Sunnybrook Orthopaedic Club, London, UK. September 21, 2008.
89. Computed Tomography as a Predictor of Hip Stability Status in Posterior Wall Fractures of the Acetabulum. Moed BR, Ajibade DA, Israel H. OTA 24th Annual Meeting, Denver, CO, October 15-18, 2008.
90. Wound Closure in Open Fractures: A Prospective Protocol using Post-Debridement Culture Results. Lenarz CJ, Watson JT, Israel H, Moed BR. AAOS 76th Annual Meeting, Las Vegas, NV, February 25–February 28, 2009.
91. Computed Tomography as a Predictor of Hip Stability Status in Posterior Wall Fractures of the Acetabulum. Moed BR, Ajibade DA, Israel H. OTA Specialty Day Highlight Paper Selection, AAOS 76th Annual Meeting, Las Vegas, NV, February 25–February 28, 2009.
92. Postpartum Pelvic Instability: Case Presentation. Moed BR. Pelvic and Acetabular Masters Meeting, San Diego, CA, October 7, 2009.
93. Pelvic and Acetabular Case Presentations. Moed BR, Crichlow R. Trauma Case Controversies 2009, New York, NY, September 25-26, 2009.
94. Expression of Bone Morphogenic Protein Antagonists during Fracture Healing. Dean DB, Watson JT, Jin W, Peters C, Enders T, Moed BR, Zhang Z. 25th Annual Meeting of the Orthopaedic Trauma Association, San Diego, CA, October 7-10, 2009.
95. Outcome of Posterior Wall Acetabular Fractures Treated Nonoperatively after Diagnostic Screening by Dynamic Stress Examination under Anesthesia. Grimshaw CS, Moed BR. ABJS 62nd Annual Meeting, Washington, DC, April 7-11, 2010.
96. Sequential Duplex Ultrasound Screening for Deep Venous Thrombosis in Asymptomatic Patients with Acetabular and Pelvic Fractures Treated Operatively. Moed BR, Miller JR. 26th Annual Meeting of the Orthopaedic Trauma Association, Baltimore, MD, October 13-16, 2010.
97. Outcome of Posterior Wall Fractures of the Acetabulum Treated Nonoperatively after Diagnostic Screening by Dynamic Stress Examination under Anesthesia. Grimshaw CS, Moed BR. 26th Annual Meeting of the Orthopaedic Trauma Association, Baltimore, MD, October 13-16, 2010.
98. Observer Reliability in Computed Tomography Assessment of Hip Stability for Posterior Wall Acetabular Fractures. Reagan JM, Moed BR. AAOS 78th Annual Meeting, San Diego, CA, February 15–February 19, 2011.
99. Outcome of Posterior Wall Fractures of the Acetabulum Treated Nonoperatively After Diagnostic Screening by Dynamic Stress Examination Under Anesthesia. Grimshaw CS, Moed BR. AAOS 78th Annual Meeting, San Diego, CA, February 15–February 19, 2011.
100. Moed BR, Miller J, Tabaie S: Sequential Duplex Ultrasound Screening for Deep Venous Thrombosis in Asymptomatic Patients with Operatively Treated Acetabular and Pelvic Fractures. ABJS 63rd Annual Meeting, Dublin, Ireland, June 8-12, 2011.
101. McMichael JC, Israel H, Moed BR. The Musculoskeletal Function Assessment: Establishing Normative Data. AAOS 79th Annual Meeting, San Francisco, CA, February 7–February 10, 2012.

PRESENTATIONS (continued)Invited and/or Refereed Internationally or Nationally (continued)

102. Tabaie SA, Bledsoe JG, Moed BR. Comparison Of Standard Iliosacral Screw Fixation To Transsacral Locked Screw Fixation In A Type C - Zone II Pelvic Fracture Model With Residual Fracture Site Separation. 28th Annual Meeting of the Orthopaedic Trauma Association, Minneapolis, MN, October 5, 2012.
103. Moed BR. AOTNA Research Committee Report and Interaction with the CPP. AO Trauma 1st Annual Meeting Clinical Priority Program (CPP) on Bone Infection. Rochester, NY, October 6-7, 2012.
104. Moed BR. The Posterior Wall Acetabular Fracture: Enigma or Just Another Intra-articular Injury? The Annual Millin Symposium, Royal College of Surgeons in Ireland, Dublin, Ireland, November 8, 2013.
105. Abdelfattah A, Moed BR. Computed Tomography Generated Images versus Conventional Plain Radiographs for the Diagnosis of Pelvic Ring Injury. AAOS 81st Annual Meeting, New Orleans, LA, March 11-16, 2014.
106. Salari P, Moed BR, Cannada LK. Do Asymptomatic Patients Have Normal Gait and Outcome after Closed Reduction and Percutaneous Screw Fixation for Disruption of the Posterior Pelvic Ring? AAOS 81st Annual Meeting, New Orleans, LA, March 11-16, 2014.
107. Salari P, Moed BR, Cannada LK. Do Asymptomatic Patients Have Normal Gait and Outcome after Closed Reduction and Percutaneous Screw Fixation for Disruption of the Posterior Pelvic Ring? ABJS 66th Annual Meeting, New York, NY, May 14-18, 2014.
108. Nonoperative Treatment of Posterior Wall Fractures of the Acetabulum after Examination under Anesthesia: Revisited. McNamara A, Boudreau J, Moed BR. 30th Annual Meeting of the Orthopaedic Trauma Association, Tampa, FL, October 16-18, 2014.
109. Keynote Address. The Posterior Wall Acetabular Fracture: An Update. Moed BR. 15th Current Controversies in Orthopaedic Trauma, Dublin, Ireland, November 7-8, 2014.
110. The Prevention and Operative Treatment of Heterotopic Ossification of the Hip after Acetabular Fracture. Moed BR. 9th International Congress of the Chinese Orthopaedic Association, Beijing, China, November 20, 2014.
111. The Management of the Morel-Lavallée Lesion in Pelvic and Acetabulum Fractures. Moed BR. 9th International Congress of the Chinese Orthopaedic Association, Beijing, China, November 20, 2014.
112. Moed BR, McMahon MJ, Armbrecht ES. The Acetabular Fracture Prognostic Nomogram: Does it Work for Fractures of the Posterior Wall? ABJS 67th Annual Meeting, Eugene, OR, July 8-12, 2015.

Invited and/or Refereed Locally/Regionally

1. Unicameral Bone Cyst Complicated by Growth Retardation: Report of Three Cases. Ortho Clinic Day, Children's Hospital of Michigan Ann Mtg, Detroit, MI, 1982.
2. Screw Fixation of Closed Oblique and Spiral Fractures of the Tibial Shaft. Mich Ortho Soc Ann Mtg, Homestead, MI, June, 1982.
3. Diagnosis and Initial Management of Knee Sprains and Dislocations. Mich State Med Soc 1984 Ann Scientific Mtg, Dearborn, MI, November, 1984.
4. Immediate Internal Fixation of Open Forearm Fractures. Sunnybrook Ortho Assoc Third Ann Mtg, Mt. St. Anne, Quebec, Canada, February, 1985.
5. 1) Transverse Fractures of the Acetabulum: Evaluation and Treatment. A Report of 5 Cases. 2) Immediate Rigid Internal Fixation of Open Diaphyseal Fractures of the Forearm. Mich Ortho Soc Ann Mtg, Gaylord, MI, June, 1985.

PRESENTATIONS (continued)Invited and/or Refereed Locally/Regionally (continued)

6. Problems in the Diagnosis of Orthopaedic Injuries in the Trauma Patient. 37th Ann Keyport-Gaylord Trauma Symposium, Gaylord, MI, June, 1986.
7. Fractures of the Acetabulum. Great Lakes Ortho Travel Club, Children's Hospital of Michigan, Detroit, MI, June, 1986.
8. Compartmental Syndrome in Closed Intramedullary Nailing of the Tibia: A Canine Model. Sunnybrook Med Center Assoc Ann Mtg, London, England, May, 1987.
9. Fractures of the Pelvis. 38th Ann Keyport-Gaylord Trauma Symposium, Gaylord, MI, June, 1987.
10. The Operative Management of Closed Fractures of the Acetabulum: The Initial Wayne State University Experience. Mich Ortho Soc Ann Mtg, Harbor Springs, MI, June, 1987.
11. Regeneration of Cancellous Bone Graft Donor Sites: A Canine Model. Montgomery DM, Moed BR, Mich Ortho Soc Ann Mtg., Harbor Springs, MI, June, 1987.
12. Regeneration of Cancellous Bone Graft Donor Sites: A Canine Model. Montgomery DM, Moed BR. Herbert E. Pedersen Memorial Lectureship, Children's Hospital of Michigan, October, 1987.
13. Compartment Syndrome in Closed Intramedullary Nailing of the Tibia: A Canine Model. Moed BR, Strom D. Mich Ortho Soc Ann Mtg, Mackinac Island, MI, June, 1988.
14. Intraoperative Somatosensory Evoked Potential Monitoring of Peripheral Nerves. Maxey J, Minster G, Moed BR. Herbert E. Pedersen Memorial Lectureship, Hutzel Hospital, Detroit, MI, October, 1988.
15. The Effect of Indomethacin on Heterotopic Ossification Following Acetabular Fracture Surgery. Herbert E. Pedersen Memorial Lectureship, Hutzel Hospital, Detroit, MI, October, 1988.
16. Evaluation of Fractures of the Femoral Head Using CT Directed Pelvic Oblique Radiographs. Moed BR, Maxey J. Mich Ortho Soc Annual Mtg, Harbor Springs, MI, June, 1989.
17. Inapparent Hypoxemia After Skeletal Injury: The Use of the Pulse Oximeter as a Screening Method. Moed BR, Boyd D. Mich Ortho Soc Ann Mtg, Harbor Springs, MI, June, 1989.
18. Nonunion of the Tibial Shaft Treated by Intramedullary Nailing with Reaming. Mich Ortho Soc Ann Mtg, Mackinac Island, MI, June, 1990.
19. The Effect of Indomethacin on Heterotopic Ossification Following Acetabular Fracture Surgery. Mich Ortho Soc Ann Mtg, Mackinac Island, MI, June, 1990.
20. Inapparent Hypoxemia After Skeletal Injury: The Use of the Pulse Oximeter as a Screening Method. Fourth Annual Herbert E. Pedersen Memorial Lectureship, Hutzel Hospital, Detroit, MI, October, 1990.
21. Intramedullary Nailing of Fractures of the Tibial Shaft Utilizing an Intraoperative Two-Pin External Fixator. Moed BR, Watson JT, Mich Ortho Soc Ann Mtg, Mackinac Is, June, 1992.
22. Combination Low-Dose Radiation and Indomethacin Therapy for the Prevention of Heterotopic Ossification Following Acetabular Fracture Surgery. Seventh Annual Herbert E. Pedersen Memorial Lectureship, WSU/SOM, Detroit, MI, October, 1993.
23. Radiographic Assessment of Heterotopic Ossification Following Acetabular Fracture Surgery. Moed BR, Smith S. Ann Mich Ortho Soc Mtg, Mackinac Island, MI, June, 1994.
24. Radiographic Assessment of Heterotopic Ossification Following Acetabular Fracture Surgery. Moed BR, Smith S. Mid-America Ortho Assoc Ann Mtg, Palm Beach, FL, April, 1995.

PRESENTATIONS (continued)Invited and/or Refereed Locally/Regionally (continued)

25. Ultrasound for the Early Diagnosis of Fracture Healing Following Interlocking Nailing of the Tibia Without Reaming. A Pilot Study. Moed BR, Watson JT, van Holsbeeck M, Goldschmidt PG. Paper presentation at the Annual Michigan Orthopaedic Society Meeting, Mackinac Island, MI, June, 1996.
26. Intraoperative Stimulus-Evoked EMG Monitoring For Placement of Iliosacral Screws: An Animal Model and Initial Clinical Results. Moed BR, et al. Ann Mich Ortho Soc Mtg, Mackinac Island, MI, June, 1996.
27. Evaluation of Intraoperative Nerve Monitoring Methods Used During the Placement of Iliosacral Implants in an Animal Model. Michigan Ortho Soc 1998 Ann Scientific Mtg., Mackinaw Island, MI, June, 1998.
28. Open Reduction and Internal Fixation of Posterior Wall Fractures of the Acetabulum. Moed BR, Carr SEW, Watson JT. Michigan Ortho Soc 2000 Annual Scientific Meeting, Mackinac Island, MI, June 2000.
29. Identification of the Optimum Intercondylar Starting Point for Retrograde Femoral Nailing: An Anatomic Study. Carmack DB, Moed BR, Zmurko M. Michigan Ortho Soc 2000 Annual Scientific Meeting, Mackinac Island, MI, June 2000.
30. The Reliability of Detecting Screw Penetration of the Acetabulum using Intraoperative Fluoroscopy and Computed Tomography. Carmack DB, Moed BR, McCarroll KA, Freccero D. Michigan Ortho Soc 2000 Annual Scientific Meeting, Mackinac Island, MI, June 2000.
31. Perioperative External Fixator Management during Secondary Surgery Procedures. Watson JT, Occhietti MJ, Moed BR, Karges DE, Cramer KE, Parmar VS. Michigan Ortho Soc 2000 Annual Scientific Meeting, Mackinac Island, MI, June 2000.
32. Analysis of Failure of Hybrid External Fixation Techniques for the Treatment of Distal Tibial Pilon Fractures. Watson JT, Karges DE, Cramer KE, Moed BR. MAOA 19th Annual Meeting, Amelia Island, FL, April 18–22, 2001.
33. The Reliability of Detecting Acetabular Screw Penetration Using Intraoperative Fluoroscopy and Computer Tomography. Carmack DB, Moed BR, Freccero D, McCarroll K. MAOA 19th Annual Meeting, Amelia Island, FL, April 18–22, 2001.
34. Open Reduction and Internal Fixation of Posterior Wall Fractures of the Acetabulum. Moed BR, Carr SEW, Watson JT. MAOA 19th Annual Meeting, Amelia Island, FL, April 18–22, 2001.
35. OsteoSet Pellets Used as Bone-Graft Substitute in Acetabular Fracture Fixation. Moed BR, Carr SEW, Craig JG, Watson JT. MAOA 19th Annual Meeting, Amelia Island, FL, April 18–22, 2001.
36. Identification of the Optimum Intercondylar Starting Point for Retrograde Femoral Nailing: An Anatomic Study. Carmack DB, Moed BR, Kingston C, Richardson M, Zmurko M, Watson JT. MAOA 19th Annual Meeting, Amelia Island, FL, April 18–22, 2001.
37. Computed Tomography Analysis of Posterior Wall Fractures of the Acetabulum Treated Operatively. Moed BR, Carr SEW, Gruson K, Watson JT, Craig JG. Michigan Ortho Soc 2002 Annual Scientific Meeting, Mackinac Island, MI, June 2002.
38. Analysis of Functional Outcome of Fractures of the Acetabulum Treated Operatively. Moed BR, Yu P, Gruson KI. Michigan Ortho Soc 2002 Annual Scientific Meeting, Mackinac Island, MI, June 2002.

PRESENTATIONS (continued)Invited and/or Refereed Locally/Regionally (continued)

39. Long-Term Outcome of Acetabular Fracture Patients: Comparison of the Musculoskeletal Function Assessment Questionnaire with the Modified d'Aubigne Clinical Score. Moed BR. Mid-America Orthopaedic Association, 21st Annual Meeting, Hilton Head Island, SC, April, 2003.
40. Computed Tomography Assessment of Posterior Wall Fractures of the Acetabulum Treated Operatively. Moed BR, Carr SEW, Gruson, KI, Watson JT, Craig JG. Mid-America Orthopaedic Association, 21st Annual Meeting, Hilton Head Island, SC, April, 2003.
41. Outcome of Posterior Wall Fractures of the Acetabulum. Moed BR. Mid-America Orthopaedic Association, 22nd Annual Meeting, La Quinta, CA, April, 2004.
42. S2 Iliosacral Screw Fixation for Disruptions of the Posterior Pelvic Ring. Moed BR, Geer B. Mid-America Orthopaedic Association, 22nd Annual Meeting, La Quinta, CA, April, 2004.
43. Management of Posterior Wall Fractures of the Acetabulum. Moed BR. Mid-Central States Orthopaedic Society, Annual Meeting, Branson, MO, June, 2004.
44. Acetabular Fractures. PAOS Annual Meeting, St. Louis, MO, October 5, 2004.
45. Initial Management of Disruptions of the Pelvic Ring. Link to Trauma Care Meeting, Joplin, MO, November 6, 2004.
46. Percutaneous Transiliac Pelvic Screw Fixation: Cadaver Feasibility Study and Initial Clinical Series. Moed BR, Fissel BA, Jasey G. MAOA 23rd Annual Meeting, Amelia Island, FL, April 20–24, 2005.
47. Early Results of Percutaneous Osteosynthesis of Supracondylar Femur Fractures Using Locked Plating Techniques. Auer PB, Watson JT, Karges DE, Jackman J, Moed BR. . MAOA 23rd Annual Meeting, Amelia Island, FL, April 20–24, 2005.
48. Biomechanical Comparison of a Two and Three Proximal Screw Configured Antegrade Piriformis IM Nail with a Subtrochanteric Reconstruction Nail in an Unstable Subtrochanteric Fracture Model. Fissel BA, Moed BR, Bledsoe JG. MAOA 23rd Annual Meeting, Amelia Island, FL, April 20–24, 2005.
49. Demystifying Posterior Wall Acetabulum Surgery – Invited “Classics in Orthopaedics” Lecture. Moed BR. MAOA 23rd Annual Meeting, Amelia Island, FL, April 20–24, 2005.
50. Electrode Placement During Stimulus Evoked Electromyographic Monitoring of Iliosacral Screw Insertion: A Finite Element Model. Kopec MA, Moed BR. Barnett DW. MAOA 24th Annual Meeting, San Antonio, TX, April 19–23, 2006.
51. Giannoudis PV, Tzioupis CC, Moed BR: Two-Level Reconstruction of Comminuted Posterior Wall Fractures of the Acetabulum. MAOA 24th Annual Meeting, San Antonio, TX, April 19–23, 2006.
52. Improving Results in Posterior Wall Acetabulum Surgery. Moed BR. MSOA 37th Annual Meeting, St. Louis, MO, June 10, 2006.
53. Moed BR, Ajibade DA, Israel H: Evaluation of Computed Tomography Assessment of Hip Stability in Posterior Wall Acetabular Fractures. MAOA 26th Annual Meeting, Orlando, FL, April 16–20, 2008.
54. Comparison of Two Skin Closure Techniques in Acetabular Fracture Patients: Preliminary Results of a Prospective, Randomized Trial. Mudd CD, Boudreau J, Moed BR. MAOA 27th Annual Meeting, Amelia Island, FL, April 22–26, 2009.
55. Biomechanical Comparison of Polyaxial-Type Locking Plates and a Fixed-Angle Locking Plate for Internal Fixation of Distal Femur Fractures. Otto RJ, Moed BR, Bledsoe JG. MAOA 27th Annual Meeting, Amelia Island, FL, April 22–26, 2009.

PRESENTATIONS (continued)Invited and/or Refereed Locally/Regionally (continued)

56. Wound Closure in Open Fractures: A Prospective Protocol using Post-Debridement Culture Results. Lenarz CJ, Watson JT, Israel H, Moed BR. MAOA 27th Annual Meeting, Amelia Island, FL, April 22–26, 2009.
57. Orthopaedic Surgeons and Medical Device Manufacturers. Moed BR. Capstone Series on Medical Business Ethics. Saint Louis University School of Medicine, St. Louis MO, March 3, 2010.
58. Sequential Duplex Ultrasound Screening for Deep Venous Thrombosis in Asymptomatic Patients with Operatively Treated Acetabular and Pelvic Fractures. Moed BR, Miller J. MAOA 28th Annual Meeting, Austin, TX, April 21–25, 2010.
59. Outcome of Posterior Wall Fractures of the Acetabulum Treated Nonoperatively After Diagnostic Screening by Dynamic Stress Examination Under Anesthesia. Grimshaw CS, Moed BR. MAOA 28th Annual Meeting, Austin, TX, April 21–25, 2010.
60. Observer Reliability in Computed Tomography Assessment of Hip Stability for Posterior Wall Acetabular Fractures. Reagan JM, Moed BR. MAOA 28th Annual Meeting, Austin, TX, April 21–25, 2010.
61. Transsacral Fixation of Acute Unstable Injuries of the Posterior Pelvic Ring. Moed BR, Whiting D. MAOA 28th Annual Meeting, Austin, TX, April 21–25, 2010.
62. Locked versus Standard Unlocked Plating of the Symphysis Pubis: A Cadaver Pelvic Biomechanical Study. Grimshaw CS, Bledsoe JG, Moed BR. MAOA 28th Annual Meeting, Austin, TX, April 21–25, 2010.
63. The Effect of Mysesenchymal Stem Cells Derived from Umbilical Cord Blood on Healing of Fracture Nonunions in a Rat Model. Foo TA, Reagan JM, Watson JT, Moed BR, Zhang Z. MAOA 28th Annual Meeting, Austin, TX, April 21–25, 2010.
64. Inter- and Intra-observer Reliability in Determining Hip Stability After Posterior Wall Acetabular Fractures using Plain radiographs and Computed Tomography. Davis AT, Israel H, Moed BR. MAOA 29th Annual Meeting, Tucson, AZ, April 6–10, 2011.
65. Comparison of Standard Iliosacral Screw Fixation to Transsacral Locked Screw Fixation in a Type C – Zone II Pelvic Fracture Model. Tabaie SA, Bledsoe JG, Moed BR. MAOA 30th Annual Meeting, Bonita Springs, FL, April 18–22, 2012.
66. The Effect of Port Size Following Irradiation for the Prevention of Heterotopic Ossification After Acetabular Fracture Surgery. Tabaie SA, Moed BR, Dombrowski J. MAOA 30th Annual Meeting, Bonita Springs, FL, April 18–22, 2012.
67. Does Modified Footwear Improve Gait After Ankle Arthrodesis? Jones DA, Moed BR, Karges DE. MAOA 31st Annual Meeting, Amelia Island, FL, April 17–21, 2013.
68. Analysis of Plain Radiographs versus CT Generated imagines in the Diagnosis of Pelvic Ring Injury. Abdelfattah A, Moed BR. MAOA 31st Annual Meeting, Amelia Island, FL, April 17–21, 2013.
69. CT Reconstructed Radiographs Versus Plain Radiographs for Acetabular Fracture Classification in an Obese Patient Population. Sinatra PM, Moed BR. MAOA 31st Annual Meeting, Amelia Island, FL, April 17–21, 2013.
70. Supplemental S1 Fixation for Type C Pelvic Fracture: Biomechanical Study of a Long Iliosacral vs. a Transsacral Screw. Salari P, Moed BR, Bledsoe G. MAOA 32nd Annual Meeting, San Antonio, TX, April 23–27, 2014.
71. Do Asymptomatic Patients Have Normal Gait and Outcome after Closed Reduction and Percutaneous Screw Fixation for Disruption of the Posterior Pelvic Ring? Salari P, Moed BR, Cannada LK. MAOA 32nd Annual Meeting, San Antonio, TX, April 23–27, 2014.

PRESENTATIONS (continued)Invited and/or Refereed Locally/Regionally (continued)

72. Nonoperative Treatment of Posterior Wall Fractures of the Acetabulum after Examination under Anesthesia: Revisited. McNamara A, Boudreau J, Moed BR. MAOA 32nd Annual Meeting, San Antonio, TX, April 23–27, 2014.
73. The Acetabular Fracture Prognostic Nomogram: Does It Work for Fractures of the Posterior Wall? Moed Br, McMahan MJ, Armbrrecht ES. MAOA 33rd Annual Meeting, Hilton Head Island, SC, April 22–26, 2015.

Invited Seminars or Lectures Presented

1. Course Faculty: 1) Fractures and Dislocations in the Growing Child. 2) Fractures and Dislocations - Examination of the Injured Patient. 3) New Techniques in Fracture Management. Orthopaedics for the Family Physician, Hutzel Hospital, Detroit, Michigan, February 1985.
2. Guest Speaker: 1) Disruptions of the Pelvic Ring. 2) Fractures of the Acetabulum: Evaluation and Management Protocol. AO/ASIF Skills Workshop - Mini Course for Physicians, Blodgett Memorial Medical Center, Grand Rapids, Michigan, May 31 & June 1, 1985.
3. Course Faculty: 1) AO/ASIF Techniques: Aims and Principles. 2) Practical Session I - Lag Screw Technique - 4.5mm, 6.5mm. 3) Practical Session II - Plate Bending Neutralization Plate. 4) Instrumentations for Angle Blade Plate. 5) Indications for Angle Blade Plate. 6) Practical Session III - Angle Blade Plate Demonstration - Dynamic Hip Screw. AO/ASIF Continuing Orthopaedic Education for Operating Room Personnel (Course), Wayne State University, June 14, 1985.
4. Course Faculty: 1) Practical Session V - DCP 3.5 with Lag Screw. 2) External Fixation Devices. 3) Indications for External Fixation. 4) Practical Session VI - External Fixator Demonstration - Intramedullary Nail. AO/ASIF Continuing Orthopaedic Education for Operating Room Personnel, Wayne State University, Detroit, MI, June 15, 1985.
5. Midas Rex Instruments, December 1985 and February 1988.
6. Course Faculty, Basic AO Course, Toronto, Ontario, Canada, January 31 - February 2, 1986.
7. Pelvic Fractures. St. Joseph Mercy Hospital, Department of Orthopaedic Surgery, Pontiac, Michigan, February 14, 1986.
8. The Omega Compression Hip Screw System Design Rationale. HOWMEDICA Annual Sales Meeting, New Orleans, Louisiana, February 18, 1986.
9. Fractures of the Acetabulum - Diagnosis and Treatment. Mt. Sinai Hospital, Detroit, Michigan, December 1986.
10. Course Faculty: Instructor: Advanced AO Course on Pelvis and Acetabulum. Toronto, Ontario, Canada, April 26-28, 1987.
11. Course Faculty: 1) Indications for Tibial Locking Nail. 2) Technique of Locking Nail. 3) Pitfalls, Post-Operative Management and Complications. 4) Targeting Devices. Locked Intramedullary Nailing of the Femur & Tibia, The Grosse & Kempf System with Bioskills Workshops. Sponsored by The Department of Orthopaedic Surgery, William Beaumont Hospital, Royal Oak, Michigan, and Wayne State University, Detroit, Michigan. Course Directors: Zachary J. Endress, Jr., M.D. and Berton R. Moed, M.D., Southfield, Michigan, July 25, 1987.
12. The Interlocking Nail. AO/ASIF Continuing Orthopaedic Education for Operating Room Personnel, Henry Ford Hospital, Detroit, Michigan, August 1, 1987.

PRESENTATIONS (continued)Invited Seminars or Lectures Presented (continued)

13. Indications for External Fixation. AO/ASIF Continuing Orthopaedic Education for Operating Room Personnel, Henry Ford Hospital, Detroit, Michigan, August 1, 1987.
14. Course Faculty: The Effect of Indomethacin on Heterotopic Bone Formation Following Acetabular Fracture Surgery. Instructor: Advanced AO Course on Pelvis and Acetabulum, Toronto, Ontario, Canada, May 4-8, 1988.
15. ATLS Instructor, June 28, 1988. Recertified: June 28, 1996.
16. The Effect of Autogenous Bone Graft Application on Wound Contamination. Moed BR, Budorick TE, Sunnybrook Orthopedic Club Annual Meeting, Montebello, Quebec, Canada, June 9-12, 1988.
17. Course Faculty: 1) Disruption of the Pelvic Ring. 2) Fractures of the Acetabulum. Polytrauma Course, Blodgett Memorial Medical Center, Grand Rapids, MI, October 21, 1988.
18. Evaluation and Treatment of Fractures of the Acetabulum and Pelvis. AO Mini Workshop Course, Grand Rapids, Michigan October 1988.
19. Course Faculty: The Ilizarov method: Treatment of Pseudarthroses, Malunions and Bone Defects, April 13-15, 1989.
20. Course Faculty: The Effect of Indomethacin on Heterotopic Bone Formation Following Acetabular Fracture Surgery. Course Faculty: Advanced AO Course on Pelvis and Acetabulum, Toronto, Ontario, Canada, April 22-25, 1989.
21. ACLS Provider, May 19, 1989.
22. The Ilizarov Method: Advanced Deformity Correction, June 26-28, 1989.
23. Course Faculty: Open Fractures - Classification and General Consideration in Management. AO/ASIF Basic Course, Ponte Vedra Beach, Florida, September 24-29, 1989.
24. Course Faculty: ACOS In Depth Review: Trauma, A New Look at Old Problems, New Orleans, Louisiana, January 19-21, 1990.
25. Course Faculty: AO/ASIF Advanced Course, Toronto, Ontario, Canada, March 1-4, 1990.
26. Operative Complications: Heterotopic Ossification, Pulmonary Embolism and Iatrogenic Sciatic Nerve Injury. AO/ASIF Advanced Course, Monterey, California, March 27, 1990.
27. Course Faculty: What Next after External Fixation? AO/ASIF Basic and Advanced Course, Monterey, California, March 29, 1990.
28. Course Faculty: Heterotopic Ossification. The Fourth Toronto Pelvic and Acetabular Fracture Management Course, Toronto, Ontario, Canada, April 7-10, 1990.
29. Orthopaedic Management of Injuries to the Pelvic Ring. Collier Penberthy Thirlby Medical Conference, Traverse City, Michigan, July 26-27, 1990.
30. Open Fractures of the Tibial Shaft and Lower Extremity Trauma: Current Concepts. University of Michigan, Ypsilanti, Michigan, October 18-19, 1990.
31. The Operative Management of Acetabular Fractures: Rationale, Results and Complications. Henry Ford Hospital Medical Association 1990 Meeting, Detroit, Michigan, October 18-19, 1990.
32. Orthopaedic Traumatology: Management of the Multiply Injured Patient. Henry Ford Hospital Medical Association 1990 Meeting, Detroit, Michigan, October 18-20, 1990.
33. Course Faculty: AO/ASIF Basic Course for Residents, Chicago, Illinois, February 20-24, 1991.

PRESENTATIONS (continued)Invited Seminars or Lectures Presented (continued)

34. Course Faculty: 1) Open Forearm Fractures - Techniques and Results - 4/22/91.
2) Disruptions of the Pelvic Ring - Diagnosis, Classification and Decision Making - 4/23/91.
3) Acetabular Fractures - Operative Complications - 4/23/91. 4) Acetabular Fractures - Classification and Evaluation - 4/15/91. AO/ASIF Basic & Advanced Courses, Marco Island, Florida, April 21-26, 1991.
35. Course Faculty: Heterotopic Ossification in Acetabular Fracture Surgery Fifth Toronto Pelvic and Acetabular Fracture Management Course, Toronto, April 27-30, 1991.
36. Course Faculty: 1) Open Tibias: Nailing vs. External Fixation. 2) Treatment of Tibial Infection. Columbia University College of Physicians & Surgeons Department of Orthopaedic Surgery: Treatment of Tibial Fractures - Symposium & Workshops, New York, New York, November 15-16, 1991.
37. Course Faculty: AO/ASIF Basic & Advanced Courses, Sun Valley, Idaho, March, 1992.
38. Course Faculty: 1) Pelvis Fractures - Assessment of Stability. 2) Pelvic Fractures - The Role of Internal Fixation. 3) Acetabular Fractures - Classification and Epidemiology. 4) Treatment of Double Column Fractures. 5) Unreamed Nailing - Indications and Usage. 6th Edinburgh Inter Trauma Symposium, Edinburgh, Scotland, August, 1992.
39. Course Faculty: The Sixth Toronto Pelvic and Acetabular Fracture Management Course, University of Toronto, Toronto, Ontario, Canada, September, 1992.
40. Course Faculty: 57th AO/ASIF Davos Course, Davos, Switzerland, December, 1992.
41. Course Faculty: 1) Pelvic Fractures—Complications, 2) Pelvic Fractures. AO/ASIF Basic/Advanced Course, Marco Island, FL, May, 1993.
42. Course Faculty: 1) Management of Complications. 2) Extended Ilio-Femoral Approach & Double Column. 3) Delayed Management of the Pelvis & Acetabulum. AO Pelvic and Acetabulum Course, London UK, September, 1993.
43. Posterior Wall Fractures - Management and Complications AO/ASIF Residents Basic Course, Minneapolis, MN, October, 1993.
44. Course Faculty: 1) Acetabulum Techniques: Posterior Wall & Column. 2) Heterotopic Ossification. 3) Acetabular Fractures: Combined Anterior & Posterior Approaches. AAOS - Fractures of the Pelvis and Acetabulum Course, Rancho Mirage, CA, November, 1993.
45. Course Faculty: 1) Surgical Approaches to the Acetabulum. 2) Plate Fixation for Humeral Shaft Fractures. LSUMC 1993 Ann Trauma Symposium, Scottsdale, AZ, November, 1993.
46. Course Faculty: 1) Pelvic Ring Injuries - Role of Internal Fixation - Choice of Approaches. 2) Acetabular Fractures: Anatomy, Diagnosis & Classification. AO/ASIF Course, Davos, Switzerland, December, 1993.
47. Course Faculty: 1) Sacral Fractures - Posterior Screw Fixation and Transiliac Bars 2) Heterotopic Ossification. 7th Annual Toronto Pelvic and Acetabulum Fracture Management Course, Ontario, Canada, February, 1994.
48. Course Faculty: 1) Acetabular Fractures - ORIF. 2) Compartment Syndrome - Complicating Tibial Fractures. Ortho Trauma Assoc Regional Trauma Update Mtg, Chicago, IL, May, 1994.
49. Course Faculty: 1) Techniques: Posterior Wall/Column. 2) Heterotopic Ossification. 3) Posterior Transiliac (Sacral) Bar Fixation. 4) Prophylaxis. AAOS Fractures of the Pelvis and Acetabulum, Rosemont, IL, June, 1994.
50. Course Faculty: Current Concepts in Internal Fracture Fixation. Ritz Carlton, Dearborn, MI, June, 1994.

PRESENTATIONS (continued)Invited Seminars or Lectures Presented (continued)

51. Course Faculty: 1) Reconstruction Nailing. 2) Femoral Shaft Fractures. The Role of Retrograde Nailing. Long Bone Fracture Update, Univ of Mich, Ann Arbor, MI, September, 1994.
52. Course Faculty: 1) Acetabular Fractures. 2) Supracondylar Femur Fractures: Classification. 3) Ankle Fractures: The Posterior Malleolus. AAOS Summer Institute, Monterey, CA, September, 1994.
53. Fractures of the Acetabulum - Complications. Institute of Orthopaedic Specialties. Surgery of the Pelvis and Acetabulum. The Second Inter Consensus, Pittsburgh, PA, October, 1994.
54. Radiographic Assessment of Heterotopic Ossification Following Acetabular Fracture Surgery. Institute of Orthopaedic Specialties, Surgery of the Pelvis and Acetabulum. The Second Inter Consensus, Pittsburgh, PA, October, 1994.
55. Course Faculty: 1) The Kocher-Langenbeck Approach: Techniques and Pearls. 2) Posterior Wall Fracture Management. LSU Trauma Management Symposium, New Orleans, LA, November, 1994.
56. Course Faculty: 1) The Kocher-Langenbeck Approach. 2) Posterior Stabilization: Posterior Wall and Column; Transverse and T-Types Small Pin Fixator Techniques. 3) AAOS Fracture Management Course, Santa Fe, NM, April, 1995.
57. Course Faculty: 1) Surgical Approaches - Pelvic Ring. 2) Correlation - Surgical Anatomy and Radiology of the Acetabulum. 3) Heterotopic Ossification. 4) Sacral Fractures: Transiliac Bars. The Eighth Toronto Pelvic and Acetabular Fracture Management Course, Ontario, Canada, May, 1995.
58. Course Faculty: 1) Olecranon Fractures. 2) Pelvic Fractures - Classification. 3) Pelvic Fractures - ORIF, Indications, Techniques, Results, Complications. Ortho Trauma Assoc Regional Update Mtg, Buffalo, NY, May, 1995.
59. Course Faculty: Pelvic Fractures - Who Should Have Surgery? AO/ASIF Residents Basic Course, New Orleans, LA, August, 1995.
60. Course Faculty: 1) Supracondylar Femur Fractures: Classification. 2) Ankle Fractures: The Posterior Malleolus. AAOS Summer Institute, Boston, MA, September, 1995.
61. Enhancing Your Abstract Acceptance Rate: Tips and Suggestions from OTA. Ortho Trauma Assoc 11th Ann Mtg, Tampa, FL, September, 1995.
62. Course Faculty: 1) Indications for Acute Surgery. 2) Choice of Approach. 3) Results. 3rd UK AO Pelvic and Acetabulum Injury Management Course, London, UK, October, 1995.
63. Course Faculty: 1) Intracapsular Hip Fractures: When and How to Fix. 2) Recent Work with Retrograde Nailing of Femur Fractures. 3) Posterior Pelvic Fixation. 4) The Kocher-Langenbeck Approach. Ann Hennepin County Medical Center Ortho and Trauma Seminar, Minneapolis, MN, October, 1995.
64. Course Faculty: 1) Current Techniques for the Treatment of Acetabular Fractures. 2) Forearm Fractures: Plate vs. IM Rod. 7th Ann Current Concepts in Trauma Care, Deer Valley, UT, December, 1995.
65. Course Faculty: 1) Posterior Approaches and Fixation Techniques. 2) Femoral Shaft Fractures: Antegrade vs Retrograde. 3) Management of Concomitant Urological Injury. Perspectives of Trauma Surgery, Tarpon Springs, FL, April, 1996.
66. Course Faculty: 1) Intramedullary Nailing of Fractures of the Femoral Shaft. 2) Femoral Neck Fracture Treatment. COGMET Ortho Surgery Educational Day, East Lansing, MI, 1996.

PRESENTATIONS (continued)Invited Seminars or Lectures Presented (continued)

67. Course Faculty: 1) Indications for Acute Surgery. 2) Choice of Approach. 3) Results. 4th UK AO Pelvic and Acetabulum Injury Management Course, London, UK, September, 1996.
68. Course Faculty: 1) Limb Salvage vs. Amputation: Amputation as an Alternative. 2) Pelvis: Complications. 3) Acetabulum: Surgical Treatment. 4) Proximal Femur Fractures: Fracture Table vs Flat Table. Current Controversies in the Management of Orthopaedic Trauma, Nashville, TN, March, 1997.
69. Course Faculty: Sacroiliac Joint Dislocation/Fractures: Posterior Approach, Reduction and Stabilization. Fractures of the Pelvis and Acetabulum: State of the Art Management Techniques, Rosemont, IL, May, 1997.
70. Course Faculty: Femoral Nailing - Indications and Techniques: Retrograde Femoral. The Bristol Intramedullary Nail Symposium, Bristol, UK, May, 1997.
71. Course Faculty: Pelvic and Acetabular Fractures - Trauma Stabilization. Specialty Review in Orthopaedic Surgery, Chicago, IL, June, 1997.
72. Antegrade vs. Retrograde Femoral Rods in Femoral Shaft Fractures. The 8th LSU Trauma Management Workshop, Santa Fe, NM, November 1997.
73. Retrograde Femoral Nailing. 9th Annual Current Concepts in Trauma Care, Olympic Valley, CA, January 1998.
74. Course Faculty: 1) Initial Management of Pelvic Ring Injuries. 2) Retrograde Femoral Nailing. New Technology and Techniques in Orthopaedic Trauma, San Antonio, TX; January 1998.
75. Course Faculty: 1) Stable Internal Fixation for Fractures: Lower Extremity. 2) Surgical Approaches to Acetabular Fractures. AAOS 65th Annual Meeting Instructional Courses, New Orleans, LA, March, 1998.
76. Course Faculty: Ninth Toronto Pelvic and Acetabular Fracture Management Course, The University of Toronto, Toronto, Ontario, Canada, April, 1998.
77. Course Faculty: 1) Correlation—Surgical Anatomy and Radiology of the Acetabulum, 2) Sacrum—Transiliac Bars, 3) Heterotopic Ossification. Ninth Toronto Pelvic and Acetabular Fracture Management Course, The University of Toronto, Toronto, Ontario, Canada, April, 1998.
78. Course Faculty: 1) Retrograde Femoral Nails. Current Techniques in Upper & Lower Extremity Trauma, 10th Annual Orthopaedic Trauma Course, Columbia-Presbyterian Medical Center and Columbia University College of Physicians and Surgeons, New York, New York, May 8–9, 1998.
79. Course Faculty: 1) Controversies in Pelvic Management. 2) Management of the Patient with Acetabular Fractures. AAOS Current Controversies in the Management of Orthopaedic Trauma, Tucson, AZ, May 28–31, 1998.
80. Course Faculty: 1) Humeral Nailing—A nail too far? 2) Femoral Shaft Fractures—How dangerous is reaming? UK—AO/ASIF Advanced Course, Leeds, United Kingdom, June 30–July 3, 1998.
81. Course Faculty: 1) Forearm Fractures. 2) Fractures/Dislocations of the Forearm. COGMET Ortho Surgery Educational Day, East Lansing, MI, September 9, 1998.
82. Course Faculty: 1) Both Column Acetabular Fractures, C-Type. 2) Transverse Posterior Wall with Marginal Impaction, T-Shape Fractures, Both Column (Type-C Fracture). 3) Should we use Radiation for the Prevention of Heterotopic Ossification? 4) Anterior Approaches, Pelvic Ring. 5) Cadaveric Dissection, Anterior Approaches, Ilioinguinal. Surgery of the Pelvis and Acetabulum: The Fourth International Consensus, The University of Alabama School of Medicine, November 1–4, 1998.

PRESENTATIONS (continued)Invited Seminars or Lectures Presented (continued)

83. Course Faculty: Stable Internal Fixation for Fractures: Lower Extremity. AAOS Instructional Course Lecture, Anaheim, CA, February 5, 1999.
84. Course Faculty: Surgical Approaches to Acetabular Fractures. AAOS Instructional Course Lecture, Anaheim, CA, February 6, 1999.
85. Course Faculty: 1) Pelvic Fractures: ORIF, Sacroiliac Joint Dislocation/Fractures—Posterior Approach, Reduction, and Stabilization. 2) Acetabular Fractures: Results and Complications—Complications Overview. Fractures of the Pelvis and Acetabulum: State-of-the-Art Management Techniques. AAOS Orthopaedic Learning Center, Rosemont, IL, April 9–11, 1999.
86. Course Faculty: 1) Sacroiliac Joint Dislocation/Fractures. 2) Fixation Techniques Using an Ilioinguinal Approach. 3) Retrograde Femoral Nailing—Indications and Technique. 1st Annual Chicago Trauma Symposium, Chicago, Illinois, June 4–6, 1999.
87. Course Faculty: 1) Pelvic Fractures: Results of Open Reduction and Internal Fixation. 2) Intertrochanteric/Subtrochanteric Plating. 1st Annual Boston Orthopaedic Trauma Symposium, Boston Medical Center, Boston, MA, October 8–9, 1999.
88. Course Faculty: Femoral Shaft Fracture: 1) Antegrade vs. Retrograde Nailing of Femoral Shaft Fractures. 2) Interactive X-ray Session: Treatment of Fractures of the Humerus. 3) Workshop: Nailing of Supracondylar Femur Fractures. 9th LSU Trauma Management Workshop, Santa Fe, NM, November 4–6, 1999.
89. Course Faculty: 1) Fractures of the Distal Femur. 2) Pelvic Fractures. Controversies in Orthopaedic Trauma Management. Fort Worth Trauma Symposium, Fort Worth, TX, December 9–11, 1999.
90. Course Faculty: 1) Femur Fractures: Retrograde IM Rod. 2) Supracondylar Femur Fractures: Retrograde Rod. Contemporary Techniques and Issues in Orthopaedics: An Interactive Forum, Aspen, CO, February 2-4, 2000.
91. Course Faculty: Stable Internal Fixation for Fractures: Lower Extremity. AAOS Instructional Course Lecture, Orlando, FL, March 15–19, 2000.
92. Course Faculty: 1) Posterior Pelvic Fixation: Sacral Fracture. 2) Controversies in Pelvic and Acetabular Surgery: Nerve Monitoring in Acetabular and Pelvic Surgery. 10th Toronto Pelvic and Acetabular Fracture Management Course, Toronto, ON, Canada, April 15–18, 2000.
93. Course Faculty: 1) Treatment of Pelvic/Acetabular Fracture: Which Ones Should You Tackle? 2) Tricks of the Trade: How I Reduce an Axially Unstable Femur Fracture during Retrograde Nailing. 3) Moderator: What's New in Fixation? Current Techniques in Upper & Lower Extremity Trauma, New York, NY, May 5–6, 2000.
94. Course Faculty: 1) Intertrochanteric—Subtrochanteric Fractures: New Concepts in Fixation. 2) Fractures of the Pelvis: Treatment and Possible Complications. What is New in Orthopaedics 2000. Harbor Springs, MI, September 15–16, 2000.
95. Course Faculty: Management Decisions with Pelvic Fractures. Errors, Omissions, Outcomes. The Detroit Trauma Symposium, Dearborn, MI, November 16–17, 2000.
96. Course Faculty: Stable Internal Fixation for Fractures: Lower Extremity. Fractures of the Distal Femur. AAOS Annual Meeting, San Francisco, CA, February 28–March 4, 2001.
97. AAOS Instructional Course Lectures: Subtrochanteric and Intertrochanteric Fractures of the Femur: 1) Intertrochanteric Plating; 2) The Medoff Plate Technique. AAOS Instructional Course Lecture, San Francisco, CA, February 28–March 4, 2001.

PRESENTATIONS (continued)Invited Seminars or Lectures Presented (continued)

98. Course Faculty: Current Techniques in Upper & Lower Extremity Trauma:
1) Pelvic/Acetabular Fractures in Non-Trauma Centers; 2) What Role External Fixation?
Moderator: Session III & IV. 21st Annual Orthopaedic Trauma Course, New York, NY,
June 1–2, 2001.
99. Course Faculty: Management of Hemorrhage with Pelvic Fractures. The Detroit Trauma
Symposium, Dearborn, MI, November 8–9, 2001.
100. Course Faculty: 1) Retrograde Nailing of Femoral Shaft Fractures; 2) Advantages of
Reamed Tibial IM Rods. National Trauma Symposium, Miami Beach, FL, November 16–
18, 2001.
101. AAOS Instructional Course Lectures: Subtrochanteric and Intertrochanteric Fractures of
the Femur: Techniques of Intertrochanteric Plating. AAOS Annual Meeting, Dallas, TX,
February 13–17, 2002.
102. Current Controversies in Femoral Nailing: Antegrade vs. Retrograde; Reamed vs.
Unreamed; Fracture Table vs. Flat Radiolucent Table. OTA Specialty Day, Dallas, TX,
February 16, 2002.
103. Course Faculty: 1) Posterior Pelvic Fixation: Sacral Fracture. 2) Controversies in Pelvic
and Acetabular Surgery: Nerve Monitoring in Acetabular and Pelvic Surgery. 11th Toronto
Pelvic and Acetabular Fracture Management Course, Toronto, ON, Canada, May 4–7,
2002.
104. Course Faculty: 1) Supracondylar Femoral Nailing. 2) Tibial Nonunions. 3) Reamed
Versus Unreamed Nailing. Advances in Orthopaedics, Hilton Head, SC, Sept. 29-October
2, 2002.
105. Course Faculty: 1) Floating Knee Injuries. 2) Femoral Nailing Without A Fracture Table.
Minimally Invasive Extremity Fracture Surgery, Amelia Island, FL, November 14-16, 2002.
106. Course Faculty: Instructional Course “Contemporary Approaches to Intertrochanteric
Hip Fractures: Is There a Better Mousetrap?” Plating Options. Mid-America Orthopaedic
Association, 21st Annual Meeting, Hilton Head Island, SC, April, 2003.
107. Course Faculty: 1) Acetabular Fractures: The Kocher-Langenbeck Approach: Tips &
Tricks. 2) Acetabular Fracture Results: Realistic Expectations. Fractures of the Pelvis and
Acetabulum: State-of-the-Art Management Techniques. AAOS Orthopaedic Learning
Center, Rosemont, IL, May 16–18, 2003.
108. Sacroiliac Screw Fixation for Pelvic Ring Disruptions. 5th Annual Chicago Trauma
Symposium. Chicago, IL August 8-10, 2003.
109. Posterior Wall Fractures of the Acetabulum. Saint Louis University Quarterly Visiting
Professor Lectureship. St. Louis, MO September 22, 2003.
110. Orthopaedic Traumatology as a Career Choice: Does the Initial Excitement Last a
Lifetime? Saint Louis University School of Medicine Surgery Interest Group. St. Louis, MO
October 28, 2003.
111. Reamed Versus Unreamed Femoral Nailing. New York Trauma Symposium. New York,
NY December 5-6, 2003.
112. 1) Posterior Wall Fractures of the Acetabulum. 2) Antegrade Versus Retrograde
Femoral Nailing. 11th LSU Trauma Management Workshop. New Orleans, LA December
11-13, 2003.
113. AAOS Instructional Course Lectures: Surgical Controversies in the Management of
Subtrochanteric and Intertrochanteric Fractures of the Femur. Intertrochanteric Plating.
AAOS Annual Meeting, San Francisco, CA, March 10–14, 2004.

PRESENTATIONS (continued)Invited Seminars or Lectures Presented (continued)

114. AAOS Instructional Course Lectures: Operative Treatment of Simple Acetabulum Fractures. 1) Indications for Surgery & Conservative Treatment. 2) Prevention & Treatment of Postoperative Complications. AAOS Annual Meeting, San Francisco, CA, March 10–14, 2004
115. Mid-America Instructional Course Lectures: Current Concepts and Controversies in the Management of Tibial Plateau Fractures. Management of Schatzker Type 1-4 Tibial Plateau Fractures Mid-America Orthopaedic Association 22nd Annual Meeting, La Quinta, CA, April 14–17, 2004.
116. Course Faculty: 1) Sacroiliac Dislocations. 2) Acetabular Fractures – Indications for Surgery. 3) Practical Laboratory – Pelvic Fractures. 16th Emile Letournel Institute Course and Workshop, Los Angeles, CA September 8-11, 2004.
117. Course Faculty: 1) Acetabular Surgical Approaches. 2) Controversies in Pelvic and Acetabular Surgery – Nerve Monitoring and Sacral Fracture Decompression. 3) Practical Laboratory – Pelvic Fractures. 6th AO/ASIF London Pelvic and Acetabular Course, London, UK September 27-30, 2004.
118. AAOS Instructional Course Lectures: Operative Treatment of Simple Acetabulum Fractures. 1) Indications for Surgery & Conservative Treatment. 2) Prevention & Treatment of Postoperative Complications. AAOS Annual Meeting, Washington, DC, February 23–27, 2005
119. Course Faculty: 1) Intertrochanteric Fractures: Use of the Sliding Hip Screw. 2) Retrograde Nailing: Indications, Tips and Pearls. 3) Nailing the Distal Femur Fracture. 4) Tibial Nailing Lab. Transforming Orthopaedics: Technology for Improved Surgical Outcomes, Whistler, BC, Canada, March 9-12, 2005.
120. Course Faculty: 1) Evolution, Biomechanics and Engineering Principles of Locking Compression Plates. Treatment Options for Difficult Fractures: A New Technology Symposium. St. Louis, MO, March 19, 2005.
121. Course Faculty: 1) Current Concepts for Femoral Nailing. 2) Demystifying Posterior Wall Acetabulum Surgery. OTA Regional Update, St. Louis, MO, May 13-15, 2005.
122. AAOS Instructional Course Lectures: Course Moderator & Faculty, Operative Treatment of Simple Acetabulum Fractures. 1) Radiology of the Acetabulum. 2) Indications for Surgery & Conservative Treatment. 3) Prevention & Treatment of Postoperative Complications. AAOS Annual Meeting, Chicago, IL, March 22–26, 2006.
123. Course Faculty: 1) Sacroiliac Dislocations. 2) Acetabular Fractures – Indications for Surgery. 3) Practical Laboratory – Pelvic Fractures. 18th Emile Letournel Institute Course and Workshop, Los Angeles, CA September 6-9, 2006.
124. Course Faculty. 1) Intertrochanteric Fractures: The Use of Hip Screws. 2) Innovations in Intramedullary Nailing of Femoral Shaft Fractures. 36th Annual Orthopaedic & Trauma Seminar, Minneapolis MN, November 9 – 11, 2006.
125. AAOS Instructional Course Lectures: Course Moderator & Faculty, Operative Treatment of Acetabulum Fractures. 1) Indications for Surgery & Conservative Treatment. 2) Prevention & Treatment of Postoperative Complications. 74th AAOS Annual Meeting, San Diego, CA, February 14–18, 2007.
126. Posterior Pelvic Ring - Reduction & Fixation. 9th Annual Chicago Trauma Symposium. Chicago, IL August 10-12, 2007.
127. GME Course Faculty. 1) The Site Visit day: Be Prepared 2) Panel Discussion Moderator. Fall 2007 GME Faculty Development Program: "Getting Ready for Your Site Visit!" St. Louis, MO, December 11, 2007.

PRESENTATIONS (continued)Invited Seminars or Lectures Presented (continued)

128. AAOS Instructional Course Lectures: Course Moderator & Faculty, Operative Treatment of Acetabulum Fractures. 1) Indications for Surgery & Conservative Treatment. 2) Prevention & Treatment of Postoperative Complications. 75th AAOS Annual Meeting, San Francisco, CA, March 4–9, 2008.
129. Prevention and Treatment of Complications in the Acetabulum & Pelvis. 10th Annual Chicago Trauma Symposium. Chicago, IL August 7-10, 2008.
130. AAOS Instructional Course Lectures: Course Moderator & Faculty, Operative Treatment of Acetabulum Fractures. 1) Indications for Surgery & Conservative Treatment. 2) Prevention & Treatment of Postoperative Complications. 76th AAOS Annual Meeting, Las Vegas, NV, February 25-28, 2009.
131. Course Faculty: 1) Sacroiliac Dislocations. 2) Acetabular Fractures – Indications for Surgery. 3) Practical Laboratory – Acetabulum Fractures: Posterior Wall and Transverse + Posterior Wall. 20th Emile Letournel Institute Course and Workshop, Los Angeles, CA September 24-27, 2008.
132. Keynote Address: Fractures of the Acetabulum. A Quarter Century of Lessons Learned. Trauma 101 Fracture Care Orthopaedics Course, Cincinnati, OH, April 3-4, 2009.
133. Prevention and Treatment of Complications in the Pelvis & Acetabulum. 11th Annual Chicago Trauma Symposium. Chicago, IL July 30-August 2, 2009.
134. Posterior Wall Acetabular Fractures: Which Ones Need Fixation? 39th Annual Orthopaedic and Trauma Seminar. Minneapolis, MN November 5-7, 2009.
135. Safe Placement Of Iliosacral Screws For Pelvic Fractures. 39th Annual Orthopaedic and Trauma Seminar. Minneapolis, MN November 5-7, 2009.
136. AAOS Instructional Course Lectures: Course Moderator & Faculty, Current Management of Posterior Wall Fractures of the Acetabulum. 1) Radiology of the Acetabulum and Posterior Wall Fracture Classification. 2) Preoperative Assessment and Indications for Surgery. 78th AAOS Annual Meeting, San Diego, CA, February 15-19, 2011.
137. AAOS Instructional Course Lectures: Course Moderator & Faculty, Current Management of Posterior Wall Fractures of the Acetabulum. 1) Radiology of the Acetabulum and Posterior Wall Fracture Classification. 2) Preoperative Assessment and Indications for Surgery. 79th AAOS Annual Meeting, San Francisco, CA, February 7-10, 2012.
138. AAOS Instructional Course Lectures: Course Moderator & Faculty, Current Management of Posterior Wall Fractures of the Acetabulum. 1) Radiology of the Acetabulum and Posterior Wall Fracture Classification. 2) Preoperative Assessment and Indications for Surgery. 80th AAOS Annual Meeting, Chicago, IL, March 18-23, 2013.
139. Keynote Address: Prevention, Diagnosis and Treatment of Thromboembolic Disease in Pelvic and Acetabular Fractures. 14th Current Controversies in Orthopaedic Trauma. Dublin, Ireland, November 15-16, 2013.
140. Polytrauma - The Future: Training The Advantages and Disadvantages of the Current Training Programmes (U.S.A.). 14th Current Controversies in Orthopaedic Trauma. Dublin, Ireland, November 15-16, 2013.
141. AAOS Instructional Course Lectures: Course Moderator & Faculty, Acetabular Fractures: A Problem-Oriented, Case-Based Approach. Fractures Involving the Posterior Wall. 81st AAOS Annual Meeting, New Orleans, LA, March 11-16, 2014.
142. AAOS Instructional Course Lectures: Course Moderator & Faculty, Acetabular Fractures: A Problem-Oriented, Case-Based Approach. Fractures Involving the Posterior Wall. 82nd AAOS Annual Meeting, Las Vegas, NV, March 24-28, 2015.

OTHER SCHOLARLY WORKS

1. Poster Presentation. Intraoperative Somatosensory Evoked Potential Monitoring of Peripheral Nerves. Moed BR, Maxey JW. Mich Ortho Soc Ann Mtg, Mackinac Island, MI, June, 1988.
2. Poster Presentation. Compartment Syndrome After Low-Velocity Gunshot Wound to the Forearm. Moed BR, Fakhouri AJ. Mich Ortho Soc Ann Mtg, Harbor Springs, MI, June, 1989.
3. Poster Presentation. Evaluation of Fractures of the Femoral Head Using CT Directed Pelvic Oblique Radiographs. Moed, BR, Maxey JW. Ortho Trauma Assoc Ann Mtg, Philadelphia, PA, October, 1989.
4. Poster Presentation. Evaluation of Fractures of the Femoral Head Using CT-Directed Pelvic Oblique Radiographs. Moed BR, Maxey JW. AAOS, New Orleans, LA, February, 1990.
5. Poster Presentation. Compartment Syndrome After Low-Velocity Gunshot Wound to the Forearm. Moed BR, Fakhouri A. 58th Ann Mtg, AAOS, Anaheim, CA, March, 1991.

11. Poster Presentation. Intramedullary Nailing of the Tibia Without a Fracture Table: The Transfixion Pin Distractor Technique. Moed BR, Watson JT. Ortho Trauma Assoc Ann Mtg, New Orleans, LA, September, 1993.
12. Poster Presentation. Stable Maisonneuve Fractures. Moed BR, Simon R. AAOS Ann Mtg, New Orleans, LA, February, 1994.
13. Poster Presentation. Intramedullary Nailing of Aseptic Tibial Nonunions Without the Use of the Fracture Table. Moed BR, Watson JT, van Holsbeeck M, Goldschmidt P. AAOS 62nd Ann Mtg, Orlando, FL, February, 1995.
14. Poster Presentation. Ultrasound for the Early Diagnosis of Fracture Healing Following Nonreamed Intramedullary Nailing of the Tibia: A Pilot Study. Moed BR, Watson JT, van Holsbeeck M, Goldschmidt P. AAOS 62nd Ann Mtg, Orlando, FL, February, 1995.
15. Poster Presentation. Mixing Titanium and Titanium Alloy in the Internal Fixation of Fractures. Tipirneni K, Moed BR. AAOS 62nd Ann Mtg, Orlando, FL, February, 1995.
16. Discusser. Trauma Session, AAOS 63rd Ann Mtg, Atlanta, GA, February, 1996.
17. Poster Presentation. Intramedullary Nailing of Complex Diaphyseal Tibia Fractures with Distal Articular Involvement. Konrath GA, Moed BR, Watson JT, Karges DE, Cramer KE, Kaneshiro SA. AAOS 63rd Ann Mtg, Atlanta, GA, February, 1996.
18. Poster Presentation. Ultrasound for the Early Diagnosis of Fracture Healing Following Nonreamed Intramedullary Nailing of the Tibia: A Pilot Study. Moed BR, Watson JT, van Holsbeeck M, Goldschmidt P. AOA 109th Ann Mtg, Colorado Springs, CO, June, 1996.
19. Discusser. Ortho Trauma Assoc 12th Ann Mtg, Boston, MA, September, 1996.
20. Discusser. Trauma Research Session, AAOS 64th Ann Mtg, San Francisco, CA, February 13, 1997.

OTHER SCHOLARLY WORKS (continued)

21. Moderator. Trauma Fracture Healing Session. AAOS 64th Ann Mtg, San Francisco, CA, February, 1997.
22. Discusser. Ortho Trauma Assoc 13th Ann Mtg, Louisville, KE, October, 1997.
23. Moderator. Detroit Trauma Symposium, Wayne State University School of Medicine, Detroit, Michigan, November 13, 1998.
24. Orthopaedic Trauma Symposium. Members: Goulet JA, Moed BR, Riemer B, Watson, JT. Michigan Orthopaedic Society, Mackinaw Island, MI, June 16–18, 2000.
25. Poster Presentation. OsteoSet Pellets used as Bone-Graft Substitute in Acetabular Fracture Fixation: Moed BR, Carr SEW, Craig JG, Watson JT. OTA 16th Annual Meeting, San Antonio, TX, October 12–14, 2000.
26. Poster Presentation. The Reliability of Detecting Acetabular Screw Penetration Using Intraoperative Fluoroscopy and Computed Tomography. Carmack DB, Moed BR, McCarroll K, Freccero D. AAOS 68th Annual Meeting, San Francisco, CA, February 28–March 4, 2001.
27. Moderator. Decision Tree for Treating Humeral Shaft Fractures Session. National Trauma Symposium, Miami Beach, FL, November 16–18, 2001.
28. Poster Presentation. Injury of the Femoral Nerve Associated with Acetabular Fracture. Gruson KI, Moed BR. Michigan Ortho Soc 2002 Annual Scientific Meeting, Mackinac Island, MI, June 2002.
29. Moderator. Session VII – Tibia. OTA 18th Annual Meeting, Toronto, Ontario, October 11–13, 2002.
30. Poster Presentation. Orthopaedic Traumatology from Afar: Are the Commonly Used Forms of Digitized Radiographs Equal? Beekman RA, Markel DC, Moed BR. OTA 19th Annual Meeting, Salt Lake City, Utah, October 9–11, 2003.
31. Moderator. Breakout Session #3 – Lower Extremity. Mid-America Orthopaedic Association 22nd Annual Meeting, La Quinta, CA, April 14–17, 2004.
32. Course Chairman. Treatment Options for Difficult Fractures: A New Technology Symposium. St. Louis, MO, March 19, 2005.
33. Moderator. Breakout Session #4 – Lower Extremity. Mid-America Orthopaedic Association 23rd Annual Meeting, Amelia Island, FL, April 21, 2005.
34. Poster Presentation. A Finite Element Study Of Electrode Location During Stimulus Evoked Electromyographic Monitoring Of Iliosacral Screw Insertion. Moed BR, Kopec MA, Barnett DW. Orthopaedic Research Society 52nd Annual Scientific Meeting. Chicago, IL March 18-21, 2006.
35. Poster Presentation. Outcomes of Posterior Wall Fractures of the Acetabulum. Moed BR, McMichael JC. American Orthopaedic Association 119th Annual Meeting, San Antonio, TX June 21-24, 2006.
36. Poster Presentation. Comparison of a Three-Screw Proximally Configured Femoral Intramedullary Nail with a Reconstruction Nail in a Subtrochanteric Fracture Model. Fissel BA, Moed BR, Bledsoe JG. 22nd Annual Meeting of the Orthopaedic Trauma Association, October 5-7, Phoenix , AZ October 5-7, 2006.
37. Poster Presentation. Outcomes of Posterior Wall Fractures of the Acetabulum. Moed BR, McMichael JC. 22nd Annual Meeting of the Orthopaedic Trauma Association, October 5-7, Phoenix , AZ October 5-7, 2006.
38. Poster Presentation. A Biomechanical Study of the Comparison of Proximal Screw Configurations in a Subtrochanteric Fracture Model. Grisell M, Moed BR, Bledsoe JG. Orthopaedic Research Society 53rd Annual Scientific Meeting. San Diego, CA February 11-14, 2007.

OTHER SCHOLARLY WORKS (continued)

39. Moderator. Multi-Specialty Approach to Trauma. 2nd Annual Panel of Experts at 23rd Annual Arkansas Orthopaedic Forum, University of Arkansas for Medical Sciences, Little Rock, AR, October 5, 2007.
40. Poster Presentation. Two-Incision Minimally Invasive Total Hip Arthroplasty After Failed Hip Fracture Fixation. Otto RJ, Moed BR, Otto TJ. MAOA 26th Annual Meeting, Orlando, FL, April 16–20, 2008.
41. Moderator. Ethics Section. ABJS 60th Annual Meeting, Jackson Hole, WY, June 13-17, 2008.
42. Poster Presentation. Timing Of Wound Closure In Open Fractures: A Prospective Protocol Using Post Debridement Culture Results. Lenarz C, Watson JT, Israel H, Moed BR. 24th Annual Meeting of the Orthopaedic Trauma Association, Denver, CO, October 15-18, 2008.
43. Poster Presentation. Short Musculoskeletal Function Assessment: Defining Reference Values. McMichael JC, Moed BR. MAOA 27th Annual Meeting, Amelia Island, FL, April 22–26, 2009.
44. Poster Presentation. Late Salvage of Failed Open Reduction and Internal Fixation of Posterior Wall Fractures of the Acetabulum. Dean DB, Moed BR. MAOA 27th Annual Meeting, Amelia Island, FL, April 22–26, 2009.
45. Do Not Rely on a Static Exam When Assessing Dynamic Hip Stability. Moed BR *interviewed by* Colleen Owens. Orthop Today 29(2):68-69, Feb 2009.
46. Poster Presentation. Grisell M, Moed BR, Bledsoe JG. A Biomechanical Comparison of Trochanteric Nail Proximal Screw Configurations in a Subtrochanteric Fracture Model. 25th Annual Meeting of the Orthopaedic Trauma Association, San Diego, CA, October 7-10, 2009.
47. Poster Presentation. By the Study to Prospectively Evaluate Reamed Intramedullary Nails in Patients with Tibial Fractures (SPRINT) Investigators: The Risk of Stopping Orthopaedic Trials Too Early. 25th Annual Meeting of the Orthopaedic Trauma Association, San Diego, CA, October 7-10, 2009.
48. Poster Presentation. Early and Out-growth Endothelial Progenitor Cells Are Distinctly Differentiated Cell Populations. Reagan J, Foo T, Watson JT, Moed BR, Jin W, Zhang Z. Orthopaedic Research Society 56th Annual Scientific Meeting. New Orleans, LA, March 6-9, 2010.
49. Poster Presentation. Locked versus Standard Unlocked Plating of the Symphysis Pubis: A Cadaver Pelvic Biomechanical Study. Grimshaw CS, Bledsoe JG, Moed BR. American Academy of Orthopaedic Surgeons 77th Annual Scientific Meeting. New Orleans, LA, March 9-13, 2010.
50. Poster Presentation. Sequential Duplex Ultrasound Screening for Deep Venous Thrombosis in Asymptomatic Patients with Operatively Treated Acetabular and Pelvic Fractures. Moed BR, Miller J. American Academy of Orthopaedic Surgeons 77th Annual Scientific Meeting. New Orleans, LA, March 9-13, 2010.
51. Poster Presentation. Catastrophic Failure of Locked Plate Fixation of the Symphysis Pubis. Grimshaw CS, Moed BR. MAOA 28th Annual Meeting, Austin, TX, April 21–25, 2010.
52. Moderator. Trauma Session. MAOA 28th Annual Meeting, Austin, TX, April 22, 2010.
53. Poster Presentation. Evaluation of Inter- and Intra-observer Reliability in the Determination of Hip Stability after Posterior Wall Acetabulum Fractures. Davis AT, Israel H, Moed BR. American Academy of Orthopaedic Surgeons 78th Annual Scientific Meeting. San Diego, CA, February 15 -19, 2011.
54. Poster Presentation. Cadaver Pelvic Biomechanical Study: Locked versus Standard Locked Plating of the Symphysis Pubis in a Type-C Pelvic Injury Model. O’Boynick CP, Bledsoe JG, Moed BR. MAOA 29th Annual Meeting, Tucson, AZ, April 6–10, 2011.

OTHER SCHOLARLY WORKS (continued)

55. Poster Presentation. Can Experts in Acetabular Fracture Care Determine Hip Stability after Posterior Wall Fractures using Plain Radiographs and Computed Tomography? Davis AT, Moed BR. 27th Annual Meeting of the Orthopaedic Trauma Association, San Antonio, TX, October 12-15, 2011.
56. Book Foreword. IN: Bates P, Starr A, Reinert. The Percutaneous Treatment of Pelvic and Acetabular Fractures. Independent Publisher; Dallas, TX, p 7, 2010.
57. Book Foreword. IN: Prevention and Management of Common Fracture Complications. Slack, Inc; eds. Archdeacon MT, Anglen JO, Ostrum RF, Herscovici D Jr, Thorofare, NJ, p *xxi*, 2012.
58. Moderator. Trauma Break Out Session #7. MAOA 30th Annual Meeting, Bonita Springs, FL, April 18–22, 2012.
59. Editorial Comment. Disruptions of the Pelvic Ring: An Update. Moed BR, Vrahas MS. Clin Orthop Rel Res 2012 Published Online Digital Object Identifier (DOI) 10.1007/s11999-012-2365-9 <http://www.springerlink.com/content/u386265711pk2186/fulltext.pdf> Clin Orthop Rel Res 470:2073–2074, 2012.
60. Poster Presentation. A Prospective Randomized Comparison of Two Skin Closure Methods in Acetabular Fracture Surgery. Mudd CD, Boudreau JA, Moed BR. 28th Annual Meeting of the Orthopaedic Trauma Association, Minneapolis, MN, October 5-7, 2012.
61. Poster Presentation. Cadaver Pelvic Biomechanical Study: Locked Versus Standard Unlocked Plating Of The Symphysis Pubis In A Type-C Pelvic Injury Model. O'Boynick C, Bledsoe JG, Moed BR. 28th Annual Meeting of the Orthopaedic Trauma Association, Minneapolis, MN, October 5-7, 2012.
62. Poster Presentation. The Musculoskeletal Function Assessment: Establishing Normative Data. McMichael JC, Moed BR. 28th Annual Meeting of the Orthopaedic Trauma Association, Minneapolis, MN, October 5-7, 2012.
63. Poster Presentation. Does Modified Footwear Improve Gait after Ankle Arthrodesis? Jones DA, Moed BR, Karges DE. American Academy of Orthopaedic Surgeons 80th Annual Scientific Meeting. Chicago, IL, March 19-23, 2013.
64. Poster Presentation. Anterior Approach Total Hip Arthroplasty using a Proximal Metaphyseal Bone Sparing Stem: Surgical Technique and Early Complications. Ahmed MM, Otto TJ, Moed BR. MAOA 31st Annual Meeting, Amelia Island, FL, April 17–21, 2013.
65. Poster Presentation. Ligamentous Contribution to Pelvic Stability in a Rotationally Unstable Open Book Injury. Abdelfattah A, Moed BR. MAOA 31st Annual Meeting, Amelia Island, FL, April 17–21, 2013.
66. Poster Presentation. Ligamentous Contribution to Pelvic Stability in a Rotationally Unstable Open Book Injury. Abdelfattah A, Moed BR. 8th Combined Meeting of Orthopaedic Research Societies (CORS), Venice, Italy, October 13–17, 2013.
67. Poster Presentation. CT-Generated versus Conventional Plain Radiographs for the Diagnosis of Pelvic Ring Injury. Abdelfattah A, Moed BR. 8th Combined Meeting of Orthopaedic Research Societies (CORS), Venice, Italy, October 13–17, 2013.
68. Poster Presentation. CT-Generated versus Conventional Plain Radiographs for Acetabular Fracture Evaluation in an Obese Patient Population. Sinatra PM, Moed BR. 8th Combined Meeting of Orthopaedic Research Societies (CORS), Venice, Italy, October 13–17, 2013.
69. Poster Presentation. The Acetabular Fracture Prognostic Nomogram: Does It Work for Fractures of the Posterior Wall? Moed Br, McMahan MJ, Armbrecht ES. OneAO Meeting: Common Problems and Common Solutions, Las Vegas, NV, February 5-7, 2015.

OTHER SCHOLARLY WORKS (continued)

70. Poster Presentation. Supplemental Posterior Fixation for Type C Pelvic Ring Injuries: Biomechanical Study of a Long Iliosacral vs. a Transsacral Screw. Salari P, Moed Br, Bledsoe JG. OneAO Meeting: Common Problems and Common Solutions, Las Vegas, NV, February 5-7, 2015.
