**SLUCare** Physician Group

## 8TH ANNUAL IC MIDDLEMAN MEMORIAL LECTURE

# From Tommy John to Biologics: A Contemporary Approach to the Management of Ulnar Collateral Ligament Injuries

*Presented by*

**Mark S. Schickendantz, MD**

*Associate Professor*

*Cleveland Clinic Lerner College of Medicine  
of Case Western Reserve University*

**Saturday, May 13, 2017**

8:00 a.m. – Noon

SSM Health Saint Louis  
University Hospital - South Campus  
3rd Floor Auditorium  
1755 S. Grand Blvd.  
St. Louis, MO 63104

**EDUCATIONAL OBJECTIVES:** At the completion of this lecture the participants will be able to:

- Recognize the gaps in knowledge of available treatments for ulnar collateral ligament injuries
- Appreciate how this lack of recognition can affect patient care
- Describe the opportunities for minimizing these knowledge gaps

**ACCREDITATION:** Saint Louis University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

**CONTINUING MEDICAL EDUCATION CREDITS:** The Saint Louis University School of Medicine designates this live activity for a maximum of 2.25 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

**CONTENT VALIDATION POLICY:** The Course Director of this activity has ensured that the content of this presentation conforms to the ACCME policy activities which require accredited providers ensure that:

- (1) All the recommendations involving clinical medicine in a CME activity must be based on evidence that is accepted within the profession of medicine as adequate justification for their indications and contraindications in the care of patients.
- (2) All scientific research referred to, reported or used in CME in support or justification of a patient care recommendation must conform to the generally accepted standards of experimental design, data collection and analysis.
- (3) Providers are not eligible for ACCME accreditation or reaccreditation if they present activities that promote recommendations, treatment, or manners of practicing medicine that are not within the definition of CME, or known to have risks or dangers that outweigh the benefits or known to be ineffective in the treatment of patients. An organization whose program of CME is devoted to advocacy of unscientific modalities of diagnosis or therapy is not eligible to apply for ACCME accreditation.

**FACULTY DISCLOSURE POLICY:** It is the policy of Saint Louis University School of Medicine to ensure balance, independence, objectivity and scientific rigor in its continuing medical education program. Faculty and planning committee members participating in these activities are required to disclose to the audiences prior to the activity the following:

- (1) A relevant financial relationship within the past 12 months (including themselves and their spouse/partner) as defined by the ACCME.

The ACCME defines a “commercial interest” as any proprietary entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients, with the exemption of non-profit or government organizations and non-health care related companies.

- (2) Their intention to discuss a product that is not labeled for the use under discussion.
- (3) Their intention to discuss preliminary research data.

Saint Louis University School of Medicine will review this activity’s disclosures and resolve all identified conflicts of interest, if applicable.

You are cordially invited to attend our quarterly lecture for orthopaedic surgeons, residents, fellows and ancillary staff. Please join us on May 13 to meet with the faculty of the SLUCare Department of Orthopaedic Surgery and attend the Eighth Annual IC Middleman Memorial Lecture, “*From Tommy John to Biologics: A Contemporary Approach to the Management of Ulnar Collateral Ligament Injuries*” and the case presentations that follow.
